

Heeho

Guangzhou Heeho Doors Company Limited

▼ HH-A80

→ HEEHO Aluminium roller shutter doors can enhance both your property's security and its appearance.

→ We offer a wide range of design options and custom made colors by powder coating, anodized, electrophoresis, and more.

→ They provide protection against cold, heat, noise, spy, insects, and break-in.

▼ HH-A65

Aluminum roller shutter doors are designed and widely used for commercial, residential, industrial applications:

Home
Garage
Factory
Bank

Shop, store
Warehouse
And more

Advantages

- Noiseless. With rubber strip for noise reduction in between two aluminum slats.
- Rust-proof. Made of aluminum, it makes the roller shutter door never get rust.
- Security / burglarproof.
- Nice appearance. Any RAL is available to match your design.
- Lightweight.
