INTRODUCTION

- Starting from a factory in Quanzhou, China in 2010.
- Since 2019, most of the production for European and US customers are made in Vietnam.
- Factories in Vietnam are managed by local staff.
- All projects will be handled by the head office in China, including the sample development, materials purchase and shipping arrangement.
- Long experience working with recycled and sustainable fabrics.
- We always do our best to satisfy our respectful clients, and our goal is to bring the value beyond their expectations.
