

Product size

More Detail

Advantage: 1. Waterproof 2. Antirust 3. Anticorrosion

Cob Led Chip

Inside Design

Cast aluminum material

Outside Design

Item No . : KTBL 1474

Specification

- **Material** : High corrosion resistance die-cast high quality aluminum body
Stainless steel screws
Silicone rubber gasket
Tempered safety glass.
- **Lamp Body color** : Matt black / matt grey / dark grey / matt coffee
- **Lamp Size** : 105*80*H600
- **Coating**: UV-proof powder coating
- **Special treatment** : Anti-corrosion treatment
- **Wattage** : 5W
- **LED** : 1 x 5W COB LED
- **LED brand** : Bridgelux Chip
- **Driver** : DONE
- **Light beam angle option** : 120°
- **Lumen** : 450lm
- **Light color temperature** : Warm white 3000K / White 6000K
- **Input Voltage** : 90-260V / 50-60Hz
- **IP65**
- **Warranty** : 3 years
