KTBL9084 10W 90-260V 300mA			
Item NO	Picture	Technical Data	PRODUCTS CHARACTERS
KTBL9084		700mm height bollard, Square shape, for outdoor surface installation, 120° light beam angle-UV powder coated die-cast high quality aluminum body, tempered safety glass, moulded silicone gasket and stainless steel screws. Built-in LED driver 12V 50-60Hz, with 1 x COB LED. IP65 rating.	<ul style="list-style-type: none"> • Material: high corrosion resistance die-cast high quality aluminum body • Coating: UV-proof powder coating • NR. 1 x 10W COB LED • Electronic transformer 12V 50/60Hz included • Stainless steel screws • Silicone rubber gasket • Tempered safety glass.
power		LED COB 10W	
Size(mm)		W188*H700mm	
Voltage		90-260V	
IP Rate		IP65	
Bulb Features		LED COB	
Light Beam Option		120°	
Material		Die-cast Aluminum	
Processing		UV-proof powder coating	
Available colors		Matt black /Matt grey/Dark grey/Matt coffee	
Light colors		3000K/4000K/6000K	
Lumen		900Lm	
Brand of chip		Bridgelux	
Brand of driver		Done driver/Lizhuo Driver	
mA		300mA	
PF		0.6	
CRI		80	
Life Span		50000h	
Weight		2.5kg	
Warranty		2 Years	
Outer carton size		10pcs/49*30*74cm	
Application		Garden,pack,hotel,Villa
