NOTIFICATION OF PRICING ADJUSTMENT

To our valued customers:

We regret to inform you that the further escalating costs of raw materials necessitate that we raise the price of our products.

All orders after 12th July, 2021 will be excuted adjusted price(raised 400usd/mt for Fluoboric Acid).

As always, thank you for the business you place with us and appreciate your understanding regarding this necessary course of action.

Thank you very much. We are available for any questions you may have.
