专注泳池盖19年

FOCUS ON SWIMMING POOL COVER FOR 19YEARS

Landy was founded in 2000 by Mr. Xinke Du, with its headquarter located in Nansha, Guangzhou, a national-level free trade zone and big production factory in yangjiang. It is an industry corporation with business in product research and development, production, sales and service. Guangzhou factory covers 16,000-square-meter factory and Yangjiang branch 42,000-square-meter. Landy has got the quality management system certification of ISO9001 and environmental management system certification of ISO14001. It was rated as high-tech enterprises. With independent R & D team, Landy has mastered the industry's core technology and has obtained 16 patents. With the standard of "quality is the core, customer satisfaction is the purpose", Landy provide high-quality products and services to our valued customers. Landy owns "LANDY", "POOL-LINER", and "TC-COVER" three independents brands, and its products have passed CE, AWT, ASTM, SGS, CQC, CNAS, IQNET and other professional certifications. Among them, "LANDY" focus on new building materials field, "POOL-LINER" on pool waterproof decorative new material field and "TC-COVER" on pool security protection field. Landy adheres to the integrity management. With superb technology, honest and trustworthy business philosophy, Landy has got support and trust from our customers over the years. In the areas involved, Landy has occupied most of the domestic and foreign market share, its products are exported to more than 50 countries and regions all around the world. Landy has won a series of member units and honorary titles, and enjoys high popularity and reputation both domestically and overseas. In an aim of "learning, innovation, integrity, dedication", Landy is committed to casting quality, building first-class brand, and work hard to be the industry benchmark. Landy sincerely welcome friends from all fields to visit us and and cooperate with us to achieve a brilliant future!

泳池绵盖 POOL COVER FOAM

XPE 绵泳池盖, 是温泉, 泳池 最佳首选, 节能, 安全, 干净, 让舒适和泳池伴随生活。

A smart choice for hot springs, pools, heated pools, the rollers would be great help to collect and stock the cover easily, quickly, safely.

泳池电动盖

POOL AUTOMATIC COVER

泳池电动盖安装方式

Installation method

U1

水下安装
Underwater installation

U2

水上安装
Underwater installation with hanging panel

N1

地面支架安装
Ground installation with frame

N2

地面支架安装1
Ground installation with cover 1

N3

地面支架安装2
Ground installation with cover 2

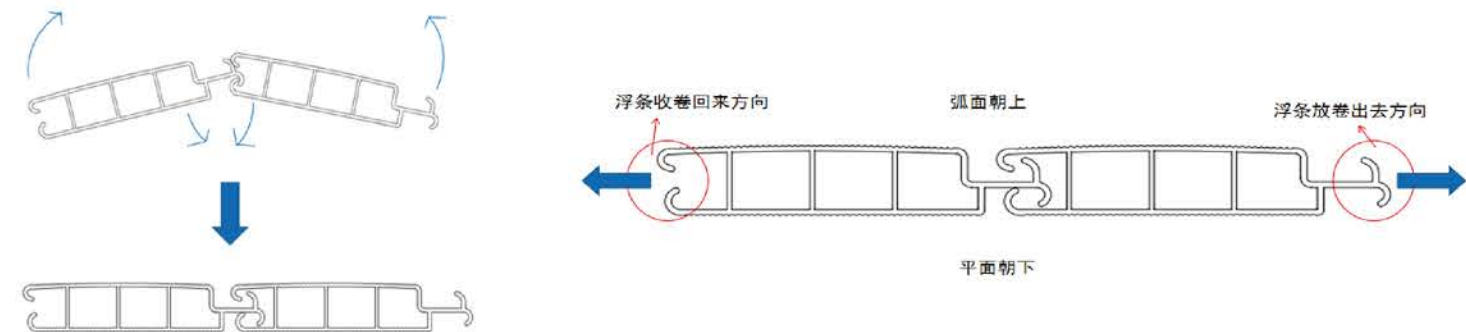

1、水下：在泳池建设初期，可选择不同的安装方案。

2、水上：在已经建好或者基本建好的泳池，并不是所有的泳池条件都适合安装水下系统，而水上系统就可以提供另外一种可行方案，优点是不需要对泳池结构进行复杂的调整，且相对便宜。

1.Underwater method: if pool is in the beginning of construction, can choice different installation method.

2.Above ground method: if pool already built or almost built, choose this method. Not all pools are suitable for underwater installation, ground method is another way to install. Do not need to adjust the structure of pool, cheaper for the already built pool.
