Guangzhou Hessan Woodworking Machinery Co., Ltd

- **Cold Glue lamination line**
 - **HY-T-338B**
- **Solution and Quotation**
 - **2025**

» » » Company Profile

Hessan Machinery (Guangzhou) Co., Ltd, located in Shawan Town, Panyu District, Guangzhou City, has been dedicated to the research&development&production of board laminating machine and profile wrapping machine. We launched China's first PUR board laminating line in 2007. With nearly 20 years of hard work, "Hessan" brand has won praise and reputation for its first-class quality and first-class service.

At present, the main products of the company include:

1. PUR board laminating production line: suitable for laminating PET film, PVC film, PP film, aluminum film, as well as acrylic sheet, fireproof sheet, aluminum sheet, stone plate and other sheets, providing professional solutions according to customer needs.
2. Board/profile wrapping machine: applicable to various boards, indoor/outdoor profiles surface wrapping , ect.
3. White glue laminating production line: suitable for cold white glue laminates with decorative paper and PVC film.
4. Other production lines: acrylic-PVC composite equipment, PET-PVC film composite equipment, honeycomb door laminating line, flooring laminating line.
5. Other supporting equipment: automatic board loading/unloading machine, turnover machine, sanding machine, dust removal machine, pearl cotton laying machine, PVC slitting machine, glue hot melt machine, etc.

» » » Our advantages

1. With more than 10 years of experience in manufacturing, research and development of PUR board lamination equipment, continuous innovation, Hessan is recognized as the leading brand in China.
2. Insist on treating people with sincerity, we own a large group of customers in domestic and in more than 20 countries and regions around the world, including many large enterprises and listed companies, our product has been widely recognized by the market.
3. With more than 10 years of export experience, the equipment is always produced according one standards for China and intenational customers.
4. We are able to provide seppliers who make boards, PET/PVC or other laminating materials, PUR glue.
5. Two members of after-sales team have more than 10 years of experience in the industry, we offer good service for installation, training, technical guidance, and equipment lifelong after-sales.

Pneumatic laminate series HY-T-338B

Brief introduction of use

1. HY-T-338B paper laminating line is specialize in sticking the decorating paper or PVC on the MDF, chipboards and plywood for producing panel of furniture which high efficient capability and pressure create a smoothly excellent surface of the finished product. It 's your idea equipment of plywood & furniture company
2. Raw material
 - A. Decorating paper, PVC foils, PU paper
 - B. Plywood, particleboard, hardboard, MDF, Gypsum board
 - C. PVAC glue, latex glue, UF glue

Structure and configuration HY-T-338B

Specifications:

1. Dust cleaning machine: 1 piece
brush \varnothing 190X1350mm 2 piece
brush is driving by Conveyor belt
Transmission by conveyor,
Feeding speed: 11m/min
Max, paper circle diameter: 400mm
Max, size of panel: 1220mm
Thickness of panel: 3~40mm
Conveyor roller used \varnothing 63X1180mm
Galvanized steel roller

2. Coating glue and pressing:

Natural rubber coated rollers \varnothing 190X1350mm 1 piece
Coated steel roller \varnothing 156X1350mm 1 piece
Chrome plated hot pressing roller \varnothing 190X1350mm 2 piece,
2KW / piece
PVC Heating roller \varnothing 156X1350mm 1 piece, 2kw
Press roller \varnothing 190X1350mm 7 piece
Driven power: 2.2KW
Electric for upper pressure roller,
Pneumatic cut paper
Dimensions: 6400mm \times 1900mm \times 1750mm

Technical Data:

TYPE

HY-T-338B

Specification

Φ190X1350mm

Gluing

One transmission motor, manual thickness adjust

Spreading roller
Φ 190X1350mm

**Sticking
&
Press**

Lifting motor thickness adjust , Pneumatic control

Pressing roller Φ 190X1350

Conveyor

Conveying roller: Φ 63X1180mm

Dimension

6500X1900X1750mm

QUOTATION:

NO.	ITEM NAME	SPECIFICATION	QTY	UNIT	TOTAL PRICE (USD)
1	HY-T-338B Laminating Machine	φ190X1350mm	1	SET	\$15000

Price term: FOB Guangzhou

Payment: T/T 30 % deposit before production and 70 % balance paid before machinery loading.

Packing: Plastic film

Time of delivery: 35 working days after deposit received.

Installation:

We will provide the installation service for the customer as requested. If the buyer request the seller to do the service in the seller's work place, the charge for applying visa, round tickets should be paid by the buyer as well as the food and hotel. USD200 per day should be paid for each technician's salary. Machine is under one year guarantee.

***Looking forward to
cooperate with you!***
