» » » Company Profile

Hessan Machinery (Guangzhou) Co., Ltd, located in Shawan Town, Panyu District, Guangzhou City, has been dedicated to the research&development&production of board laminating machine and profile wrapping machine. We launched China's first PUR board laminating line in 2007. With nearly 20 years of hard work, "Hessan" brand has won praise and reputation for its first-class quality and first-class service.

At present, the main products of the company include:

1. PUR board laminating production line: suitable for laminating PET film, PVC film, PP film, aluminum film, as well as acrylic sheet, fireproof sheet, aluminum sheet, stone plate and other sheets, providing professional solutions according to customer needs.
2. Board/profile wrapping machine: applicable to various boards, indoor/outdoor profiles surface wrapping , ect.
3. White glue laminating production line: suitable for cold white glue laminates with decorative paper and PVC film.
4. Other production lines: Acrylic-PVC composite equipment, PET-PVC film composite equipment, honeycomb door laminating line, flooring laminating line.
5. Other supporting equipment: automatic board loading/unloading machine, turnover machine, sanding machine, dust removal machine, pearl cotton laying machine, PVC slitting machine, glue hot melt machine, etc.

» » » Our advantages

1. With more than 10 years of experience in manufacturing, research and development of PUR board lamination equipment, continuous innovation, Hessan is recognized as the leading brand in China.
2. Insist on treating people with sincerity, we own a large group of customers in domestic and in more than 20 countries and regions around the world, including many large enterprises and listed companies, our product has been widely recognized by the market.
3. With more than 10 years of export experience, the equipment is always produced according one standards for China and intenational customers.
4. We are able to provide sepliers who make boards, PET/PVC or other laminating materials, PUR glue.
5. Two members of after-sales team have more than 10 years of experience in the industry, we offer good service for installation, training, technical guidance, and equipment lifelong after-sales.

» » » Technical Specifications:

1. Infeed convey table:

Conveying steel roller: $\phi 120 \times 1350\text{mm}$;
transmission power: 0.75kW

2. Sticking machine:

Transmission power: 1.5kW
Upper roller lifting power: 0.37KW;
Sticking rubber roller: $\phi 240 \times 1280\text{mm}$
Oil heating power: 7.5kW;
Sticking steel roller: $\phi 240 \times 1280\text{mm}$;
PVC guiding roller: $\phi 75 \times 1300\text{mm}$
Air shaft for PVC in rolls: $\phi 74 \times 1350\text{mm}$ 1pc
Magnetic powder brake: 100N.M
Lifting crane: 0.55kw

3. Belt conveyor:

Conveying steel roller: $\phi 120 \times 1350\text{mm}$;
transmission power: 0.75kW

4. Primer Coating Machine:

Transmission power: 1.5kW+0.75kW,
Coating rubber roller: $\phi 215 \times 1350\text{mm}$
Dosing steel roller: $\phi 156 \times 1350\text{mm}$
Equipped with pneumatic diaphragm pump,
glue can be recycled.

5. Belt conveyor:

Conveying steel roller: $\phi 120 \times 1350$,
Transmission power of belt: 0.75kW
Fan dryer power: 0.75kW
Heating oven power: 10KW

6. Pneumatic cutter

7. Working table

8. Pneumatic cutter

Size of board: 1220mm \times 2440mm (4' \times 8') Thickness of board: 0.8-40mm Working speed: 5-25m/min
Transmission power: 4.5kW Heating power: 10kW
Size of machine: 13.8m (L) \times 2.5m (W) \times 3.3m (H)
Labor required: 5-6 workers
Capacity: 2pcs/min, maximum about 700pcs/day for 8 hours working

» » » Price list of the Acrylic PVC laminating machine:

NO.	ITEM NAME	SPECIFICATION	QTY	UNIT	TOTAL PRICE(USD)
1	HY-T-1280 Acrylic PVC laminating machine	φ240X1280mm	1	SET	US \$38000

Price term: FOB Guangzhou In USD

Payment: 30 % deposit before production and 70 % balance before loading. All paid by T/T.

Packing: Plastic film

Time of delivery: 35 working days after deposit received

Installation:

We will provide the installation service for the customer as requested. If the buyer request the seller to do the service in the seller's work place, the charge for applying visa, round tickets should be paid by the buyer as well as the food and hotel. USD200 per day should be paid for each technician's salary. Machine is under one year guarantee.

» » » Details of the lamination line:

This machine is specialized for lamianting the transparent arylc sheet with the thin PVC, it can make many diffence patten,colour acrylic sheet.

***Looking forward to
cooperate with you!***
