

2019 Saudi Arabia Riyadh Season Large Artificial Pool Musical Dancing Water Fountain Show Project

Fountain Project Description: This Music Dancing Water Fountain project is located in Boulevard Street Riyadh, Saudi Arabia, which is completed in Oct, 2019. Rainbows Group uses pool water, fire, firework and modern technology 3D elements such as 3D nozzles, air explosion nozzles, beam lighting to form a very extraordinary view to local people.

Riyadh Fountain Project is a part of Riyadh Season activity. This musical fountain show was played daily from 5:00 pm to 5:00 am. We expect this fountain project show will attract more than 7 million visitors to enjoy.

The fountain itself consists of 2000 pcs nozzles and 1000 sets stainless steel pump, DMX 512 Lights 2000 sets. It takes around 30 days to finished installation.
