## COMPANY PROFILE

Xianning Huaxin Garment Co., Ltd. was founded in 1993 and is located in Xianning City, Hubei Province, which is situated 80 kilometers away from Wuhan City.

Our product factory covers an area of 30,000 square meters, with a building area of 20,000 square meters. We have over 300 employees and more than 500 sets of equipment. Our primary focus is on the production of non-woven products, including protective clothing, isolation gowns, shoe covers, hoods, face masks, and a wide range of other varieties. These products find extensive applications in personal protection, medical care, construction, manufacturing, agriculture, coal mining, petroleum, the chemical industry, and more. They serve various functions, such as dustproofing, waterproofing, antibacterial properties, resistance to oil, chemicals, and static electricity. Additionally, we have our own well-equipped product testing laboratory.

Our fabrics factory occupies an area of 34,000 square meters, with a construction space of 56,000 square meters. Equipped with advanced production machinery, our primary products include PP non-woven fabric, SMS fabric, melt-blown fabric, microporous fabric, composite film, and more. We have nine production lines in operation, resulting in an annual output of 40,000 tons.

Our company has obtained certifications such as ISO 9001, ISO 13485, ISO 14001, the EU's MDR, and CE, as well as FDA registration. We have also acquired Class I and Class II medical device certificates in China, and we are recognized as one of the enterprises on China's white list.

Our products have been approved by TYPE3/4/5/6, EN14126 and AAMI1,2,3,4.

Our products are primarily distributed to North America, South America, Japan, South Korea, the Middle East, Europe, Australia, Africa, and various other countries and regions.

Our company's motto is Integrity-based, quality-oriented, innovative-pursuing, and service-first. We warmly welcome customers all over the world to contact us at any time.
