

## Smart Security Low Power Wireless Battery Camera

Video	Imaging Sensor	2 Megapixel CMOS
	Image Coding Standards	H.264
	Video Standard	PAL、 NTSC
	Image Quality	1920*1080@25fps
	Video Quality	1920*1080@25fps
	Image Mobile Detection	Support
	Minimal Illumination	0.1LUX/F1.2
	Lens	2.8MM
	Video Flip	Support
Audio	Coding Standard	amr
	Audio Inout	Support
	Audio Output	Support
Video Management	Video Recording	Manual recording, dynamic detection recording, timing recording, alarm
	Video Storage	TF Card
	Remote playback&download	Support
Alarm	Alarm Input	No
	Motion Detection	video push, alarm video, catch picture
Network	Ethernet Network	1*RJ45, 10/100M, support wifi
	Wifi	Support WiFi 2.4 GHz, IEEE 802.11 b/g/n
	Networking Protocol	Support TCP/IP、 RTSP、 ONVIF
	APP	Ubell
Extend	IR-CUT	Support
	TF Card	Support
	WIFI	Support
	433MHz	No Support
	GPIO	No Support
Power Supply	Power Battery	2*18650 Lithium battery
	Power Dissipation	5W
Environment	Temperature	0°C - + 55°C
