

## HW-503-E1

# Radiolucent Operating Table

## FEATURES

- DSA Radiolucent Carbon Fiber Operating Table
- 45mm thickness carbon fiber tabletop
- SS304 material side rail
- 3 function: Elevation / Horizontal sliding movement / Longitudinal sliding movement
- Optional function: Lateral tilt / Trendelenburg
- Full carbon fiber tabletop length: 870mm. Sliding 800mm, the radiolucent board length is about 1700±50mm
- Optional accessory: 6cm mattress, shoulder support, body support

## Technical Parameter

Item No.:	HW-503-E1
Table Length / Width:	2400/500mm (±50mm)
Tabletop height:	800-1000mm (±50mm)
Elevation:	200mm
Longitudinal Sliding:	800mm
Horizontal sliding:	200mm
Lateral tilt / Optional:	18° / 18° (±5° )
Trendelenburg / Anti-trendelenburg Optional:	20° / 20° (±5° )
