

HW-LED700

Operating Light

Technical Parameter

Light Head:	LED700
Illumination (Lux)	160,000
Color temperature (Kelvin)	3600-5500
Operator's head temperature rise (°C):	≤1
Surgical field temperature rise (°C):	≤2
Effective working depth of focus (mm):	≥800
Spot size (mm):	120-230
Light bulb service life (h):	100,000
Bulb quantity (pcs):	80pcs
Light head thickness (mm):	127mm
Min installation height (mm):	2700mm
