PRODUCT
INTRODUCTION

Italian Minimalist Storage System

ITALY DESIGN

An aerial photograph of a historic Italian town, likely Portofino, at sunset. The town is built on a hillside overlooking the sea, with colorful buildings and a prominent church. A bridge spans the water in the foreground, and mountains are visible in the background under a golden sky.

Tourbillon

THE INTERNATIONAL HIGH-END BRAND OF HIGOLD GROUP

Tourbillon aims to elevate the artistry and aesthetics of home storage systems to new heights, positioning itself alongside top international brands. It offers high-net-worth individuals worldwide exceptional storage hardware products—crafted with the creative vision of Italian designers and manufactured according to European precision quality standards.
