KITCHEN HARDWARE

HIGOLD KITCHEN
FUNCTIONAL HARDWARE 2022

Brief Introduction

HIGOLD GROUP Co., Ltd. is a diversified and innovative technology enterprise integrating custom hardware, intelligent hardware and e-commerce. It is a highend brand in China's functional hardware industry and has occupied the position of unicorn in the national sales and market share for many years. With a production area of 340,000 square meters, more than 2,500 employees and 180 of them are in R&D field,HIGOLD Star Factory is currently a large-scale functional hardware R&D and manufacturing base in Asia.

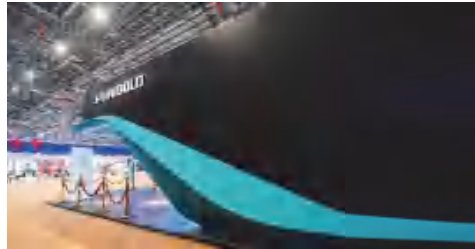

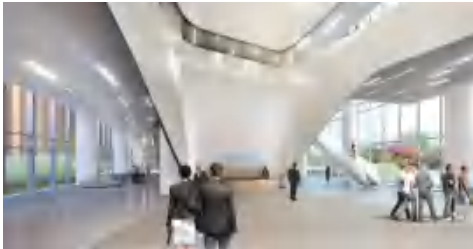

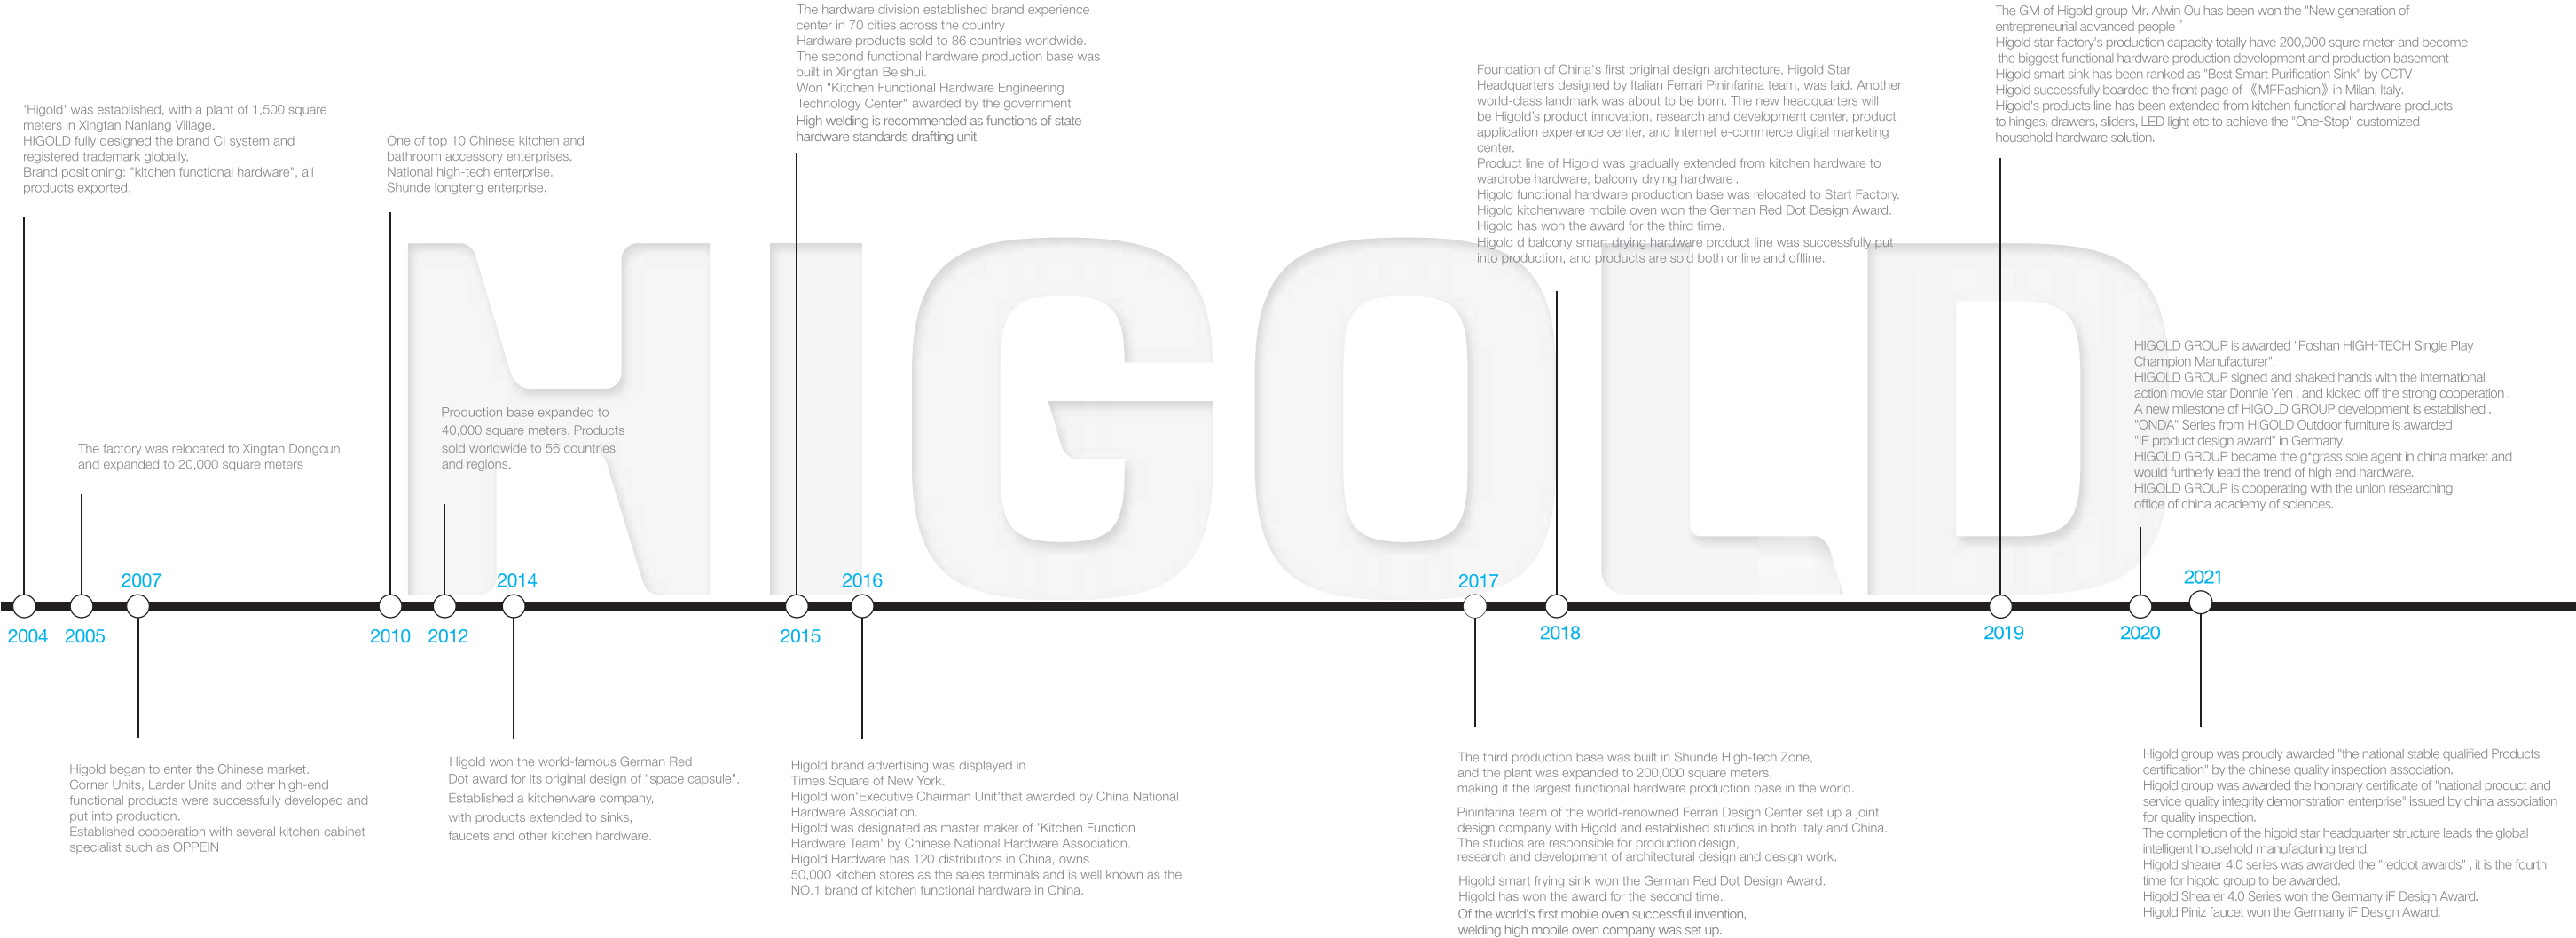

HIGOLD as a national high-tech enterprise, owns the national level engineering technology research center and institute, at the same time establishes HIGOLD German design branch in Cologne, Germany, and a joint design institute established by the team of Turin. Higold also build the JV institute with Pininfarina in Italy; with more than 620 independent innovation patents, it is the world-renowned German Red Dot Design Award winner. HIGOLD functional hardware products are selling to 86 countries and regions worldwide, and the marketing network covers the whole world. It has more than 300 general agents in domestic cities and up to 80,000 special cabinet and wardrobe stores, which is a strategic cooperative brand for domestic first- line real estate brands and home furnishing brands. HIGOLD is renowned in the industry by the excellent quality and innovative design.

Founder & President of the HIGOLD group
Mr. Alwin Ou

Milestone

Vision

HIGOLD'S MISSION Strive for improving the quality of people life

Rather than just a simple supply and demand company,Higold' s ideology is to provide a better and elegant lifestyle with our products. With our unigue and innovative product designs,our functional kitchen hardware give our customers a better reason to enjoy our happy life.

HIGOLD'S CORE VALUE Cooperative,Win-Win,Creative and Leading

As an industry innovator,we wish to have more partners to join us in this great area to achieve a win-win situation by optimizing respective strength and intarating resources; We stick to innovate and sustain business operation with a persistent vigour and vitail-ty,to keep the advantage in being a leading enterprise and to alwsys lead people to a better lifestyle.

HIGOLD'S OBJECTIVE Create Higold as an international brand of functional kitchen hardware and industry innovation leader

With our product' s design,innovation,quality and service,we have been increasing the value of Higold' s international reputation in functional kichen hardware industry.As a result,customers are able to enjoy the quality and satisfaction of our products.Higold will always be the innovation leader and set sa the benchmark in the industry.

B · SERIES

Wardrobe Upstart,Full-body Leather
Art Customization

The B series combines soft-touch leather with exquisite craftsmanship.
It is rigorous and meticulous one by one, forging high-quality wardrobe
hardware storage pieces, and enjoying the sincerity of craftsmen in daily life.

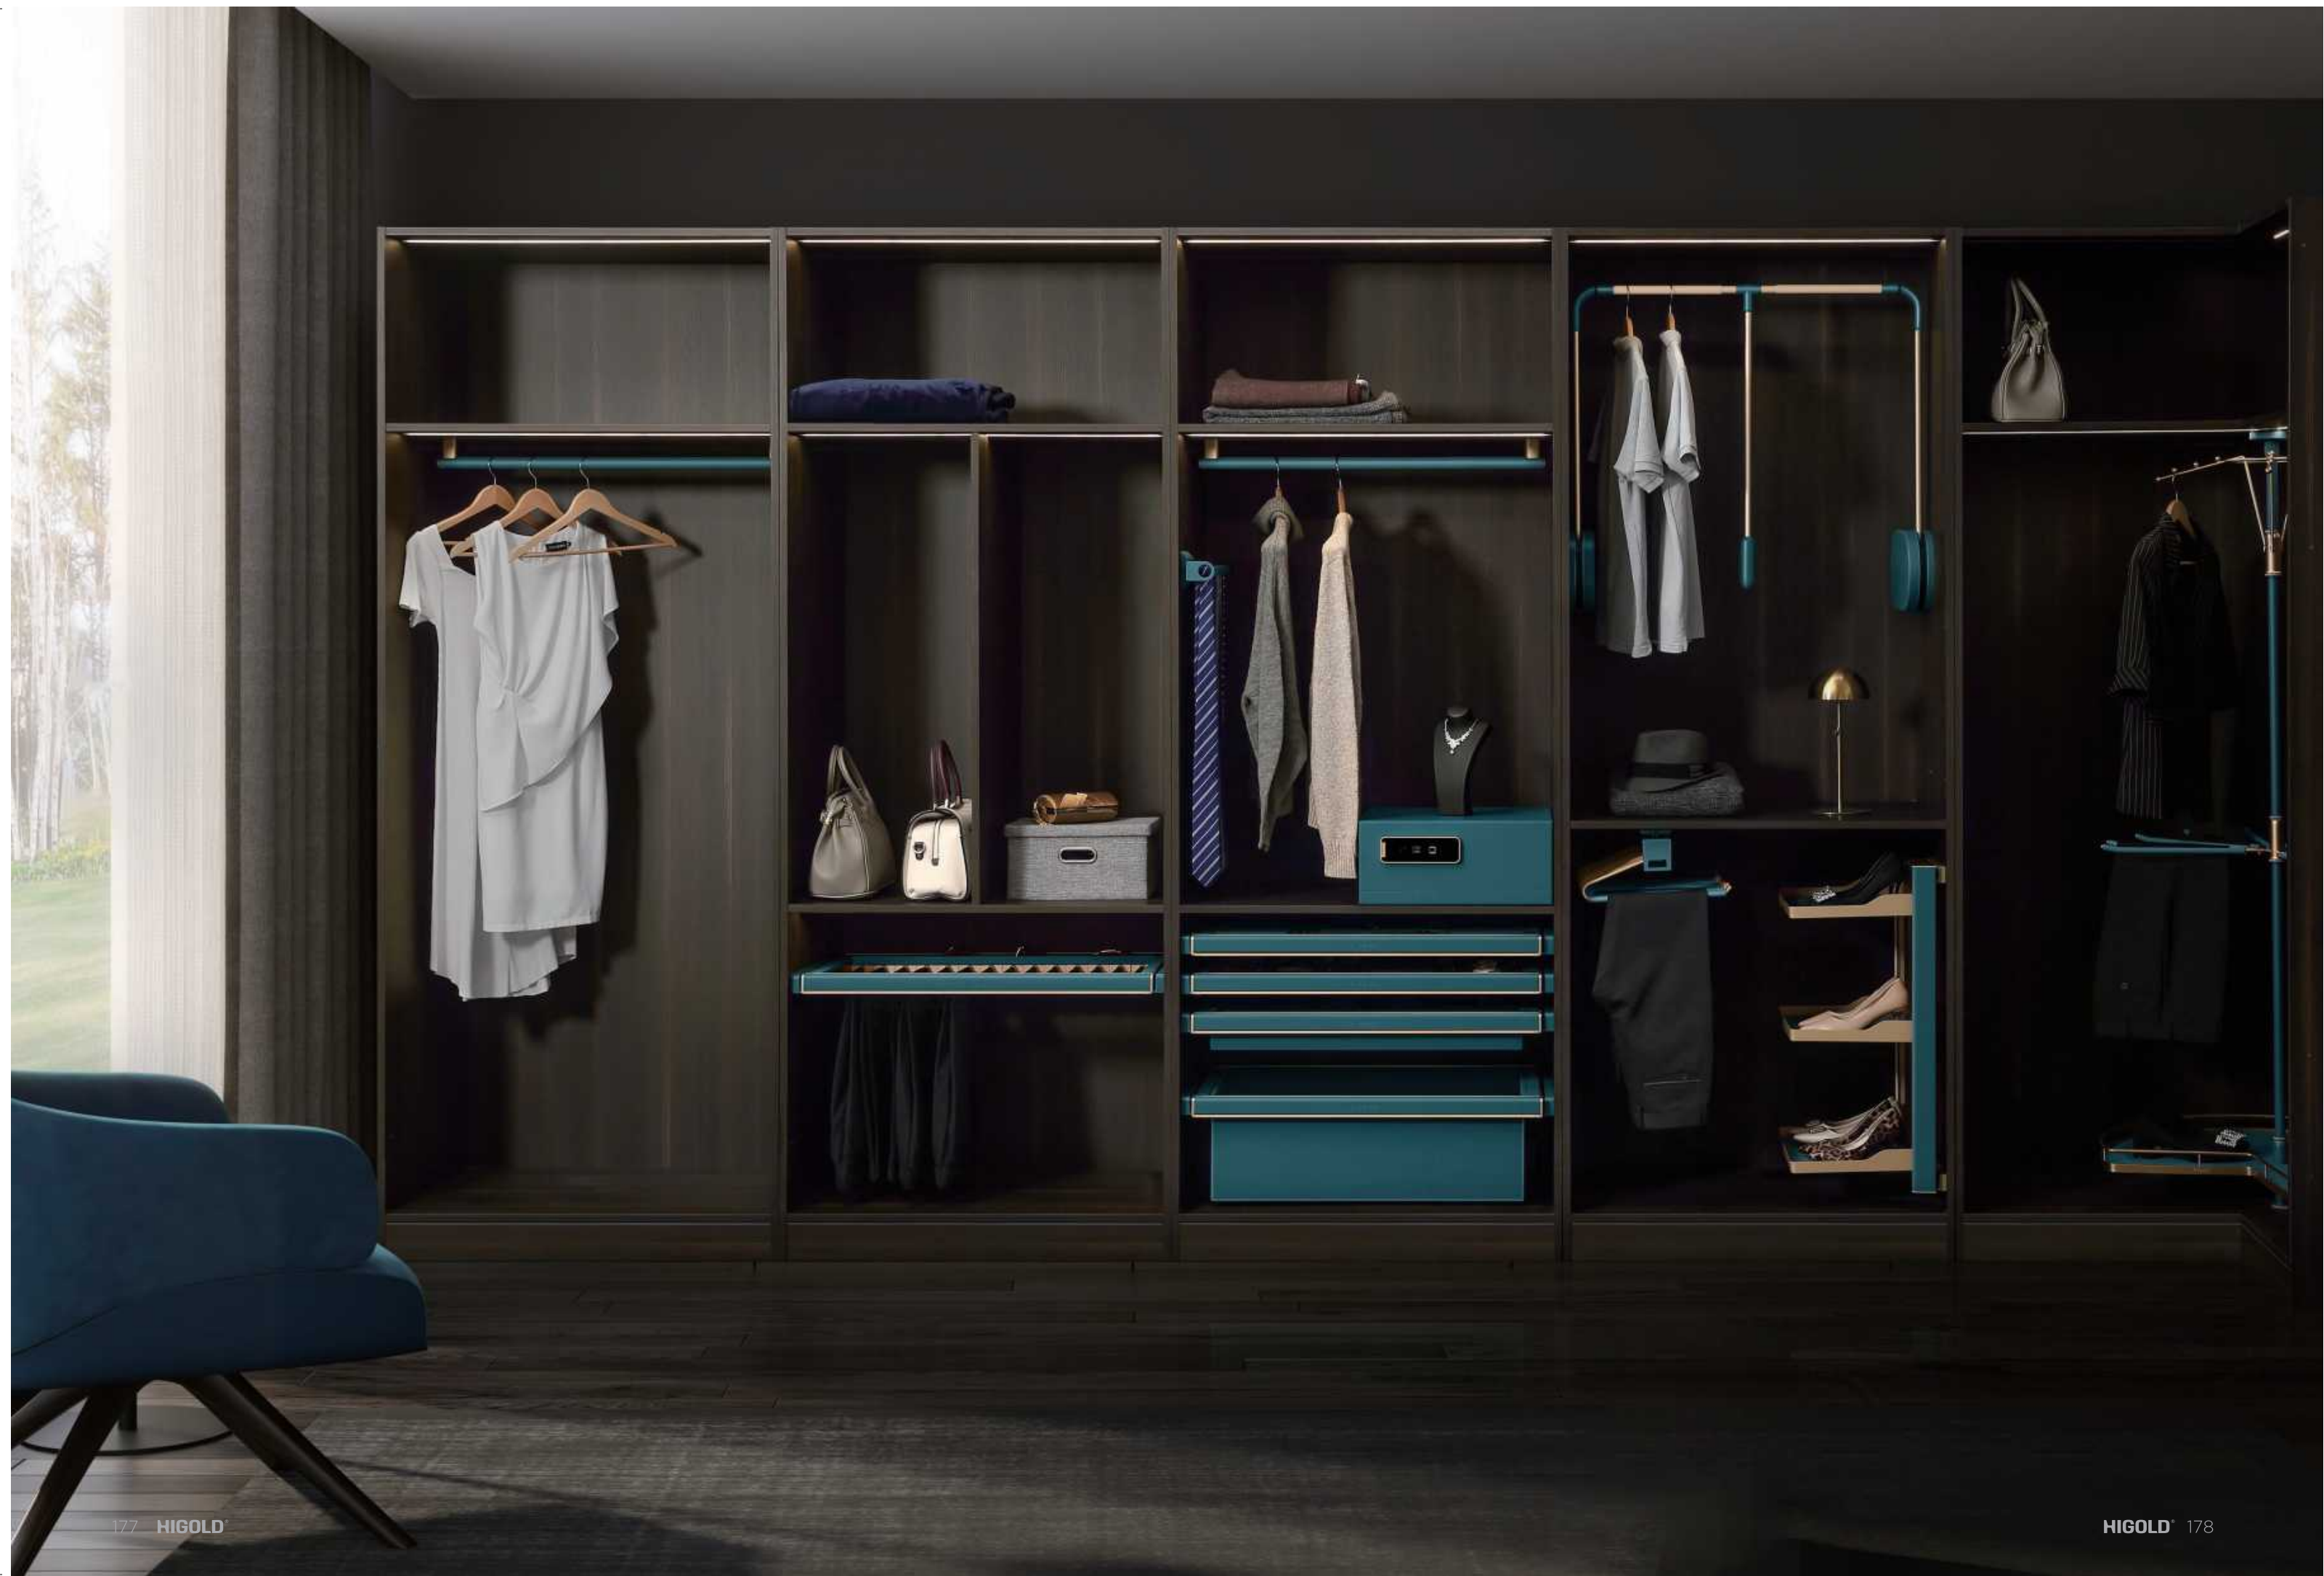

Modern New Color Moran Green

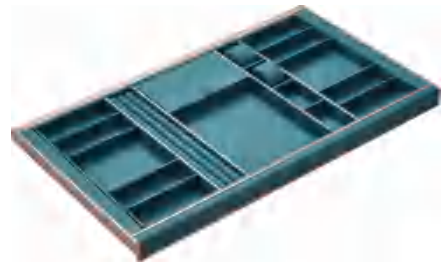

Like a blonde in a green woolen coat,
walking slowly from an oil painting.
