HIGOLD® HEXAGONAL BUILDING

Focus on High-end Intelligent Manufacturing Diversification Glints the World

The second intelligent manufacturing base of Higold Group is Located in Guanghua Industrial Zone, Xingtian Town, Shunde District, with a construction area of 200,000 square metres. Higold Group took the lead in opening a comprehensive digital and intelligent transformation production base of the manufacturing system. The hexagonal building, built to the standard of "dark factory", will create 4 smart factories, one R&D centre and one hardware museum, which will be another success for Higold to build a high-quality smart enterprise.

The first phase of the factory building has been fully constructed into a super factory for automatic production. The main products include hinges, guide rails, drawers and hardware core components. It is currently a demonstration benchmark factory with leading production, quality and efficiency. In the future, it will promote the annual output of hinges to more than 1 billion pieces, and strive to build an unmanned workshop with 24-hour fully automatic production, and strive to become a leading world-class home hardware aircraft carrier.

Patent NO. : ZL202122547978.8

Through upgrading and optimizing product material, product structure, aesthetic design and so on, reshaping space and upgrading storage. The storage space and storage layout of products are greatly improved through the multi-layer storage structure with pumping and the flexible adjustable dividers. It not only meets the daily storage, but also takes into account the differences in living habits between the north and the south. The multi-functional storage area is designed to strengthen the storage space for special-shaped items and meet the storage needs of users in different regions. Space aluminum alloy basket body, make the product more light, strong, scratch resistant and easy to clean, ensure durable. The guide rail of high quality steel has not only passed the European standard GS50000 motion test, but also equipped with dense slide design, making the product push and pull gently, smooth and silent.

MUSE SERIES

Returning to the simplicity of beauty
It's a new era
The luxury that should be

HIGOLD

MUSE SERIES
MINIMALIST STYLE

MUSE SERIES

The Muse series pursues the "organic" combination of fashion and environmental protection. Under the ingenious conception of the designer, a natural life is achieved. The beauty of extreme simplicity.

The Muse series takes the shape of "felt" and replaces the cold and hard metal texture with softness. It abandons complicated shapes and uses simple frames to create a more agile visual effect and a wider storage space, and reap the relaxation of returning to nature feel.

MUSE SERIES

ACCESSORIES STORAGE BOX

Treasure chest style storage

Let every favorite thing have its own place and leave space for the life you love. The selected thick felt is soft to the touch and gentle on the accessories.

MULTI-FUNCTIONAL STORAGE BOX

Large flat design, leaving no dead space

Large flat design, leaving no dead space, free planning, use. Life is full of love and the storage potential is explored through design.

UNDERWEAR STORAGE BOX

Care for close-fitting and delicate clothing

Clear partitions provide flexible storage, providing a lot of convenience for storing close-fitting clothing.

CLOTHES BASKET

Upgrade capacity , well organized

The capacity of the clothes basket has been upgraded, so large items such as seasonal clothes and thin blankets can be "returned" in an orderly manner, containing all the love of life.

TROUSERS RACK

Pants leave no creases

The width of the trouser rack is adjustable, allowing the trousers to remain crease-free and create an organized style.
