HIGOLD® STAR HEADQUARTER

Higold Star production base is located in Xingtan High-tech Zone, Shunde, with a total area of about 160,000 square meters, is the core automation manufacturing demonstration base of Higold Group. Higold Star headquarters building, more than 30,000 square meters, standing on the land of China with its unique architectural design, attracted attention with its avant-garde, science and technology, dynamic, fashion design elements.

Higold Star Headquarters will bring together product research and development center, industrial Internet center, custom home new materials museum, smart home system experience museum and other diversified integration, carrying the goal of Higold to focus on intelligent manufacturing and diversified innovation.

HIGOLD® HEXAGONAL MANUFACTURING BASE

The second intelligent manufacturing base of Higold Group is Located in Guanghua Industrial Zone, Xingtan Town, Shunde District, with a construction area of 200,000 square metres. Higold Group took the lead in opening a comprehensive digital and intelligent transformation production base of the manufacturing system. The hexagonal building, built to the standard of "dark factory", will create 4 smart factories, one R&D centre and one hardware museum, which will be another success for Higold to build a high-quality smart enterprise.

The first phase of the factory building has been fully constructed into a super factory for automatic production. The main products include hinges, guide rails, drawers and hardware core components. It is currently a demonstration benchmark factory with leading production, quality and efficiency. In the future, it will promote the annual output of hinges to more than 1 billion pieces, and strive to build an unmanned workshop with 24-hour fully automatic production, and strive to become a leading world-class home hardware aircraft carrier.

JOIN-IN BASIC REQUIREMENTS

- Identifying with the brand concept and mission of Higold;
- Willing to accept the sales policies and brand management;
- Strictly following with the Higold Brand VI standards;
- Capable in capital, sales forces and warehouse, and willing to put certain investment for growth of the brand in the market;
- Have a showroom close to local building materials market or an independent shop easily accessible for end consumers, the showroom or shop area should not be less than 80M.

JOIN-IN POLICIES SUPPORT:

- **1. Prices**: we will sign the agency agreement with annual sales target. When the sales target is reached, we will offer 3%-5% rebate according to the sales revenue as brand promotion support in the next year.
- **2. Products**: new products are always first priority offered to our agent, and the products or market exclusivity will be available based on big order volume. We can even develop the new products especially for you. We can also organize products training regularly for your sales team.
- **3. Showroom design & samples**: we can support you or your 2nd distributors to design the showroom for free, and supply the showroom samples & displaying cabinets with discounted prices or FOC depending on the order quantities.
- **4. Branding promotion**: we can support part of budget to promote the brand & products together, like attending the exhibition, new products launching event, outdoor advertisement, social media promotion etc.
- **5. Marketing materials**: we can support to design the catalogue and make new products presentation & videos etc, as well as providing some Higold T-shirts for free.
- **6. MOQ**: the MOQ for OEM brand is 100pcs/model, while the MOQ for Higold brand is 50pcs/model. If the agents can provide 3 months' rolling order forecast, we can prepare some stocks in advance to reduce the MOQ requirements and improve order turnover.
