EUROPE SERIES

Intelligent
Kitchen Sink

What pops into your mind while heard the word "Europe"? London Buckingham, Quiet Belgian Town, Champs Elysees, Prague Square or Dutch Red-light District?

Europe, a magical land which culivated the most ancient and civilized literature, philosophy and science, it is also the world hub for fashion and art. Pursuing ultimacy, the life notion for Europeans, based on which, we create Higold European series sinks.

In this series, every sink embodies the philosophy of European life.
Normal single bowl sinks feed the taste of simplicity and purity.
Sinks with tray illustrate the streamline design and craving for pragmatism.
Butterfly corner sinks present the appreciation for art and aesthetics.

To be more European, you need a Higold European sink.

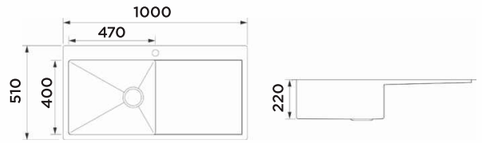

PVD and Nano Coating Kitchen Sink

Where there is demand ,
there is creation.
Life deserves more colors and
endless possibilities.

HIGOLD STARING COLLECTION

Intelligent
Kitchen Sink

While all factories get their head down in manufacturing, a few are heading up for creation. Higold is among the later. Since the founding, we have been upholding "Think big, Think new" as our core value, thanks to which, many of our products have successfully won Reddot Award, IF Design Award, which solidify our dominant position in kitchen hardware industry.

Staring collection consists of sinks with smart idea, new technique or creative design. such as :
BL 1.0 Sink, with lip to save space and add functions.
BL 2.0 Sink, with side rear drain to be more gracious as well as practical.
Workstation Channel Sink, a small sink makes a big difference to your kitchen.
Purification Sink, safeguard your health.

You've never been so proud and confident until you choose a Higold staring product.

Pure place

The Elegant Kitchen

The story of spring under the simple style is the refinement of pure life. The unfiltered spring light sprinkles, and the taste of life is like the taste of cherry outside the window. This season I will not miss the wonderful, because I have a window that can shoot life.

A Perfect

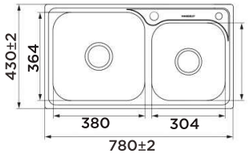

Match the beauty of resonance

The reason why the combat effectiveness of the army is strong is that every soldier of the army is attacking the same target; The reason why a work of art is moving is that every element of the work is working in the same direction; The reason why good decoration is charming is that every element of kitchen supplies is showing the same beauty.

Get close to nature and enjoy the art of living in nature

When the world becomes faster and faster and the voice outside becomes higher and higher, we silently abide by our own principles; People oriented design. Silence is not silence, but deep thinking in the noise; Because we know: no noise, there is a sound.
