THE BEAUTY OF INDUSTRIAL DESIGN

"External beauty can only please the eyes,
but inner beauty can infect the soul." ——Voltaire

HIGOLD

"THE LEGEND OF 1900"

Life and art are intertwined

Plaster jump on our black lens
Listen to the water notes falling off the stage
to tell a moving movement

**Golden curved arc design
combines aesthetics
and science**

Hundreds of thousands of radian
modifications bring a more
user-friendly washing
experience

HIGOLD®

130°

Golden curved arc
The water column follows
outward with a reasonable angle

VS

Ordinary faucet
The water column is vertical
with short water outlet distance

**A comfortable
fingertip feel**

The circular arc element runs through
the handle, making it as delicate as
cream, and the beauty of the
atmosphere reaches to the heart

HIGOLD®

BN4.0 SERIES FAUCET
THE BEAUTY OF INDUSTRIAL DESIGN

Dual mode water outlet

2-in-1 water outlet nozzle to
meet different cleaning needs

HIGOLD®

01 Bubble type
Enjoy slow
thorough washing

VS

02 Shower style
Pressurized
flushing and dirt

Swiss NEOPERL bubbler
Quiet water without splashing

Oxygen-enriched bubbles release water,
providing a comfortable and skin friendly feel,
and the water is soft and non-dispersing

HIGOLD®

BN Faucet
Deaeriform volume
Delicate without splashing

VS

Ordinary faucet
Noise sound
near splash and use

**Strict selection of
ceramic cartridge**
**Compliant with standards
more relieved**

Tens of thousands of tests to ensure smooth
opening and closing of faucets, anti-dripping
and leakage-proof

HIGOLD®

10000
opening and
closing tests

10°C
Cold and hot dual
modes to ensure
the temperature
at will

360° rotational pull-out
**Extended water washing
without restriction**
