

HIGOLD®

Multi-functional Nano Countertop Control Sink

Clean and easy life

Creative Living, Smart

SINGLE-SINK LARGE PLATE COUNTERTOP CONTROL SIDE WATER TAP

Technological Innovation Enjoy freely

HIGOLD®

Countertop Control Drainage
No need to get hands wet for drainage

Single sink with large capacity
Convenient for washing big items

PVD Nano
Steam-resistant doubling

Side drainage
Good storage under the sink

Stepped slide lip
Multipurpose for one sink

SUS304
Antirust and wear resistance

Drainage without getting hands wet One-button intelligent countertop control

Countertop control drainage, smooth drainage without touching water
Drainage doesn't freeze your hands in winter, and no stain in four seasons

HIGOLD®

400mm widening sink Spacious space for washing big items

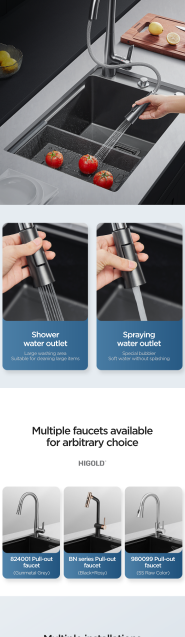

Side-mounted sink to release large space, easy washing of pots and pans

HIGOLD®

Working Station Sink Washing, cutting and leaching at the same time

Stepped slide lip can support accessories to reduce the walking back and forth for dishes preparation. One place to complete washing, cutting and leaching

HIGOLD®

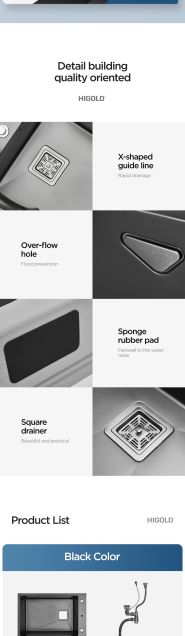

Reduce the smudging at the countertop
The defatted food is transferred to the cutting board for cutting, and the drainage flow into the sink without splashing the countertop

PVD NANO TECHNOLOGY Clean space

SUS304 stainless steel as the base, with strong anti-rust ability. External bearing dual nano technology, easy-cleaning and anti-scratch

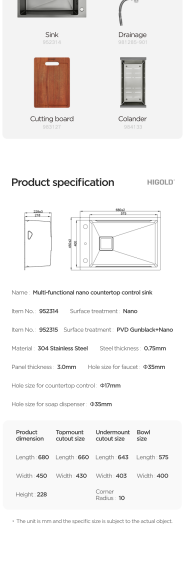

HIGOLD®

Nano Technology
Anti-oil and anti-fouling
Be clean once wipe it

Innovative side installation design
Expand the working space
The side sink empowers space a new spirit, bringing more convenient use experience to the kitchen

HIGOLD®

Side-mounted faucet
The water can be filled at countertop

Countertop control side installation
Reach out for controllable drainage

Drainage side installation
More storage under the sink
