Dual-purpose bag magazine(Q30)

Tiled and hanging double feeding bag, more storage of the bags

Flat bag feeding magazine(Q8)

Tiled and hanging double feeding bag, more storage of the bags

Available pp woven bag type

Handle bag

Non-handle bag

Available pp woven bag size

Length 500-800mm

Width 210-380mm

Length 500-800mm

Width 210-380mm

Intelligentize touch screen control

Touch recognition
Onekey switch

Multi-function just click to operate

Available wireless remote service

Auto oiling system

Machine automatic oil filling system, automatic maintenance

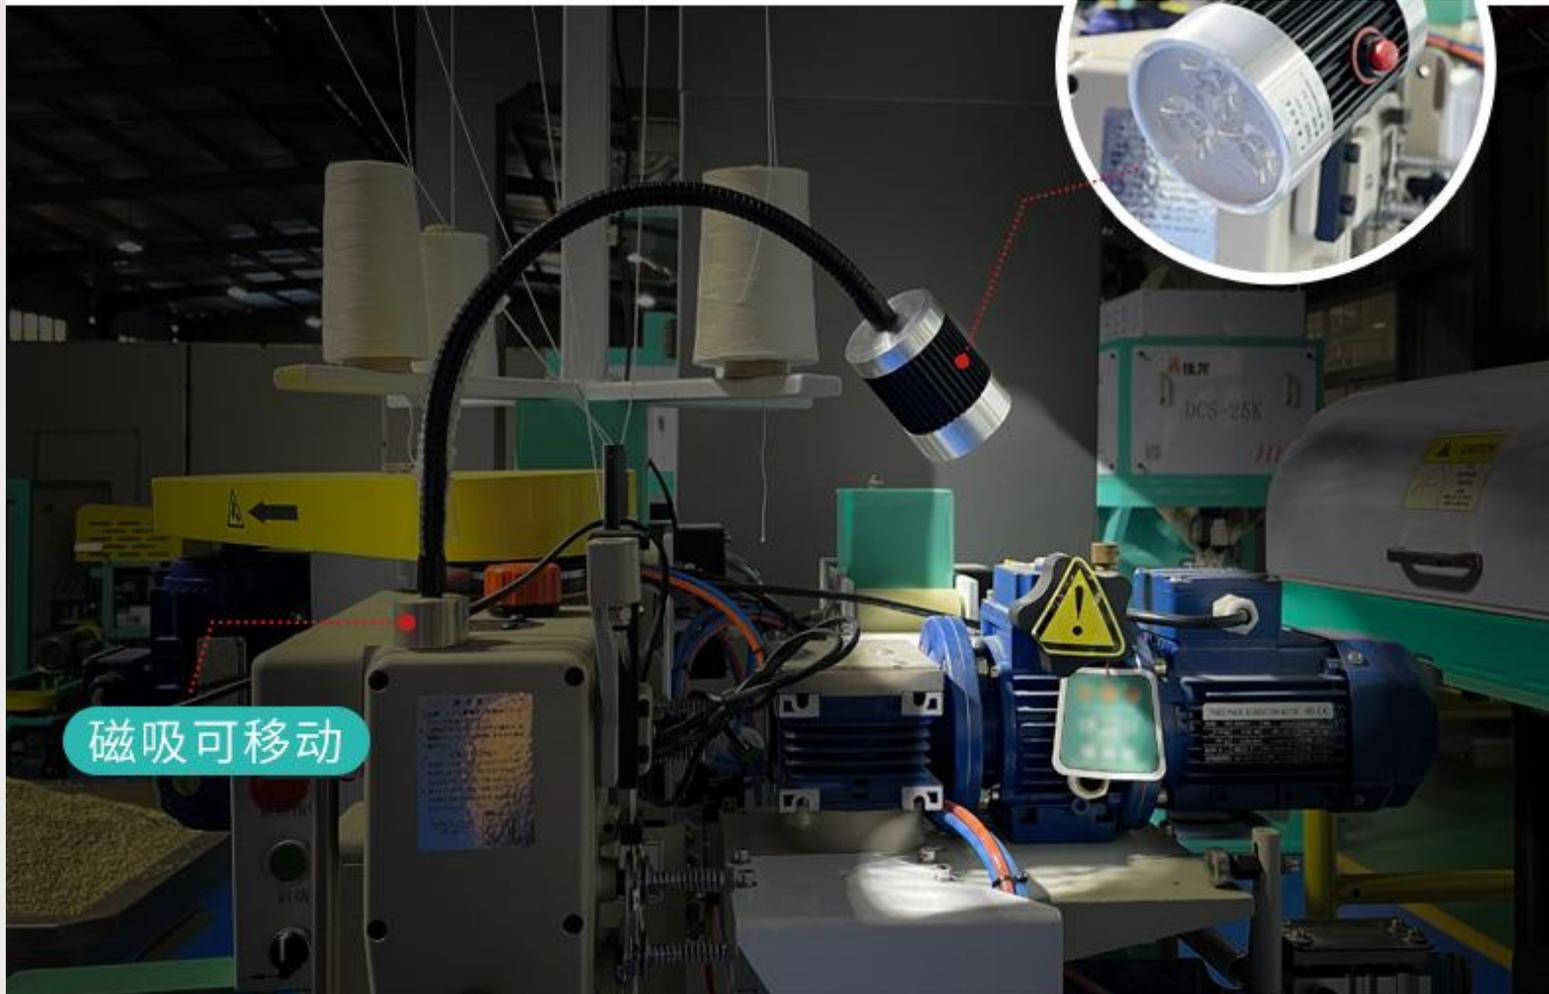

Visual oil level

Auto oiling mechanism

Removable illuminator

Magnet removable lampholder, high light LED

Easy check design for sewing machine

辅助标尺

可直接量袋子尺寸

可视窗

无需工具可人工开启
方便查看运行状态

上机梯

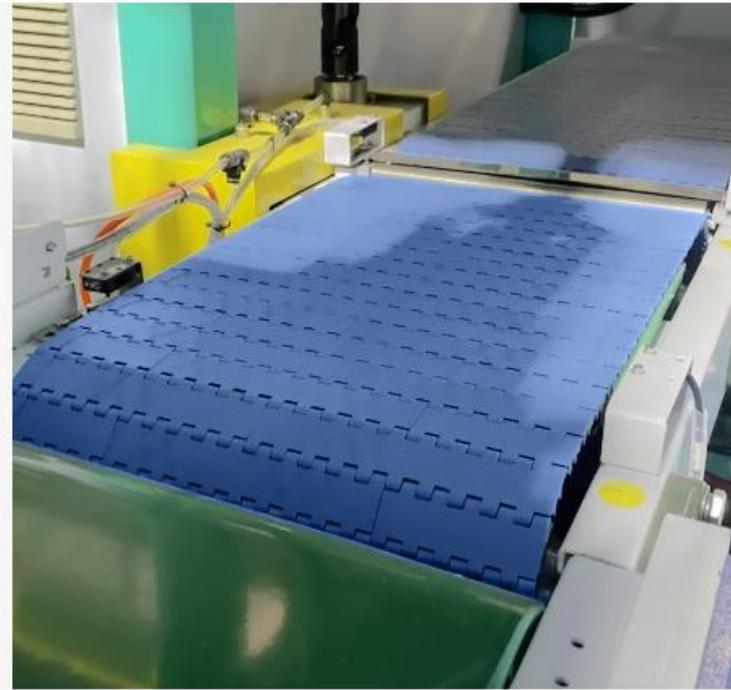

机身自配爬梯
方便登高作业

Easy check device for the machine

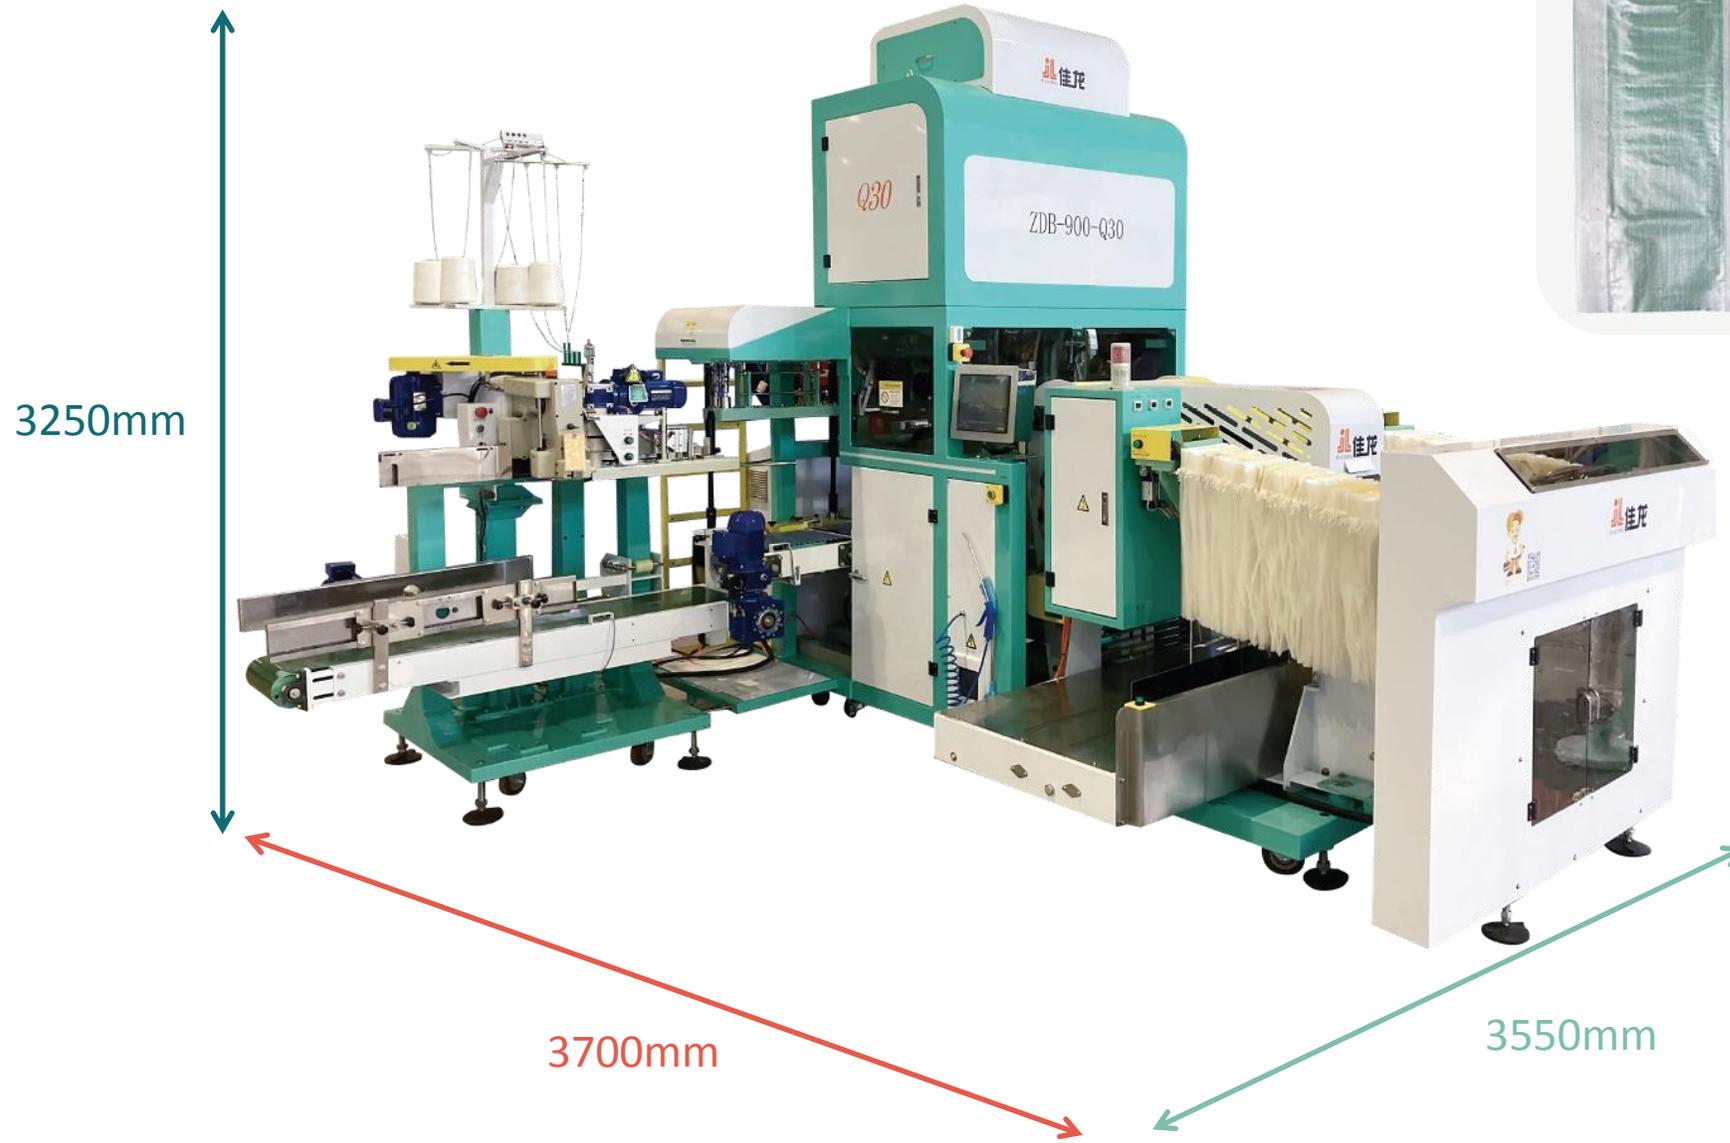

Edge folded/not One key switch

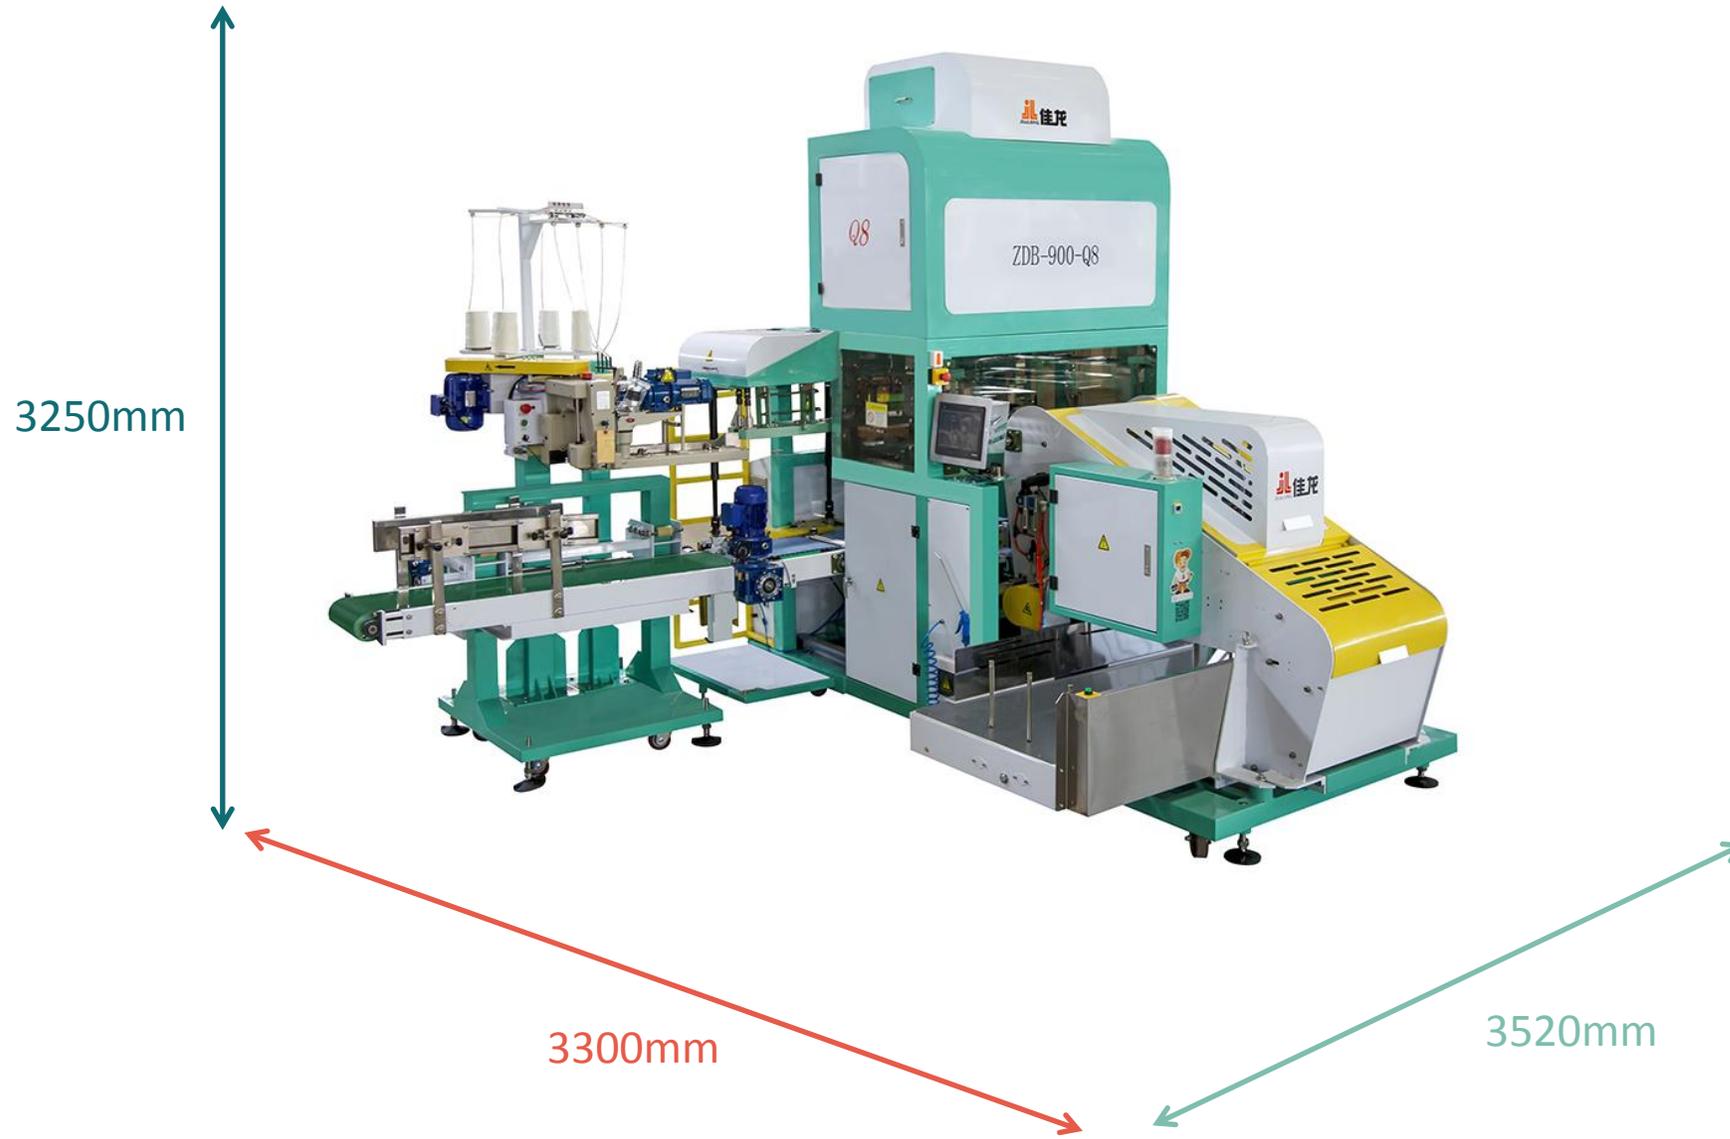

Chain conveyer sturdy and durable
