XINLI GROUP

KUCHUAN
SUPPLY CHAIN

Hello, world!

Your satisfaction
is our unremitting pursue!

COMPANY PROFILE

Xinli Group is a large-scale Modernized Enterprise Group which contains four subsidiary companies, Zhejiang Xinli door Co., Ltd, Zhejiang Xingli steel structure Co., Ltd, HangZhou HP winner opto corporation and Zhejiang Kuchuan supply chain Co.,Ltd.

Zhejiang Xinli Door Co., Ltd established in 1996 which design, research,develop and sale steel doors, wood doors, steel glass doors, wood glass doors and aluminium doors in domestic and abroad markets. It is one of the earliest pioneers in Zhejiang Wuyi . Now it covers an area of 150,000 square meters. There are more than 1000 well-qualified staffs and 2 lines of modern automated machines imported from Germany .The company can produce 2000PCS of steel doors per day and achieve total sales amount about RMB150 million in the year of 2013 .

Zhejiang Xingli steel structure co., ltd established in 2000 which design, build industrial factory in Zhejiang market, we also can process steel structure spare parts and export to abroad according to market demands.

Hangzhou hp winner opto corporation established in 2011 which identified as the only designing factory in Led industry. The registered capital of the company is 2.551 billion, now we offer our chip to philis-lumileds.

Zhejiang kuchuan supply chain service co., ltd established in 2014 which helps small and medium exporting enterprises customs clearance, foreign exchange, tax rebate services. The factories can reduce cost and improve competitive power through our services.The company also helps large supermarket abroad and purchaser domestic select and buy hardware products in China. The purpose of the company is “we do services only, we don’ t take part in business.”

BARN DOOR COLLECTION

PRODUCT DESCRIPTION

A lightly distressed finish on a classic barn door design. Like Mama always said, "If it ain't broke don't fix it." Our collection of sliding barn doors has quickly become one of our most popular. Nothing completes a modern space quite like a sliding barn door, and you won't find doors like these anywhere else. As always, any of our paint or stain options can be applied to any product; doors are no exception. Where can I put barn doors? Barn doors can be installed in a wide variety of interior applications, to enhance both function and design.

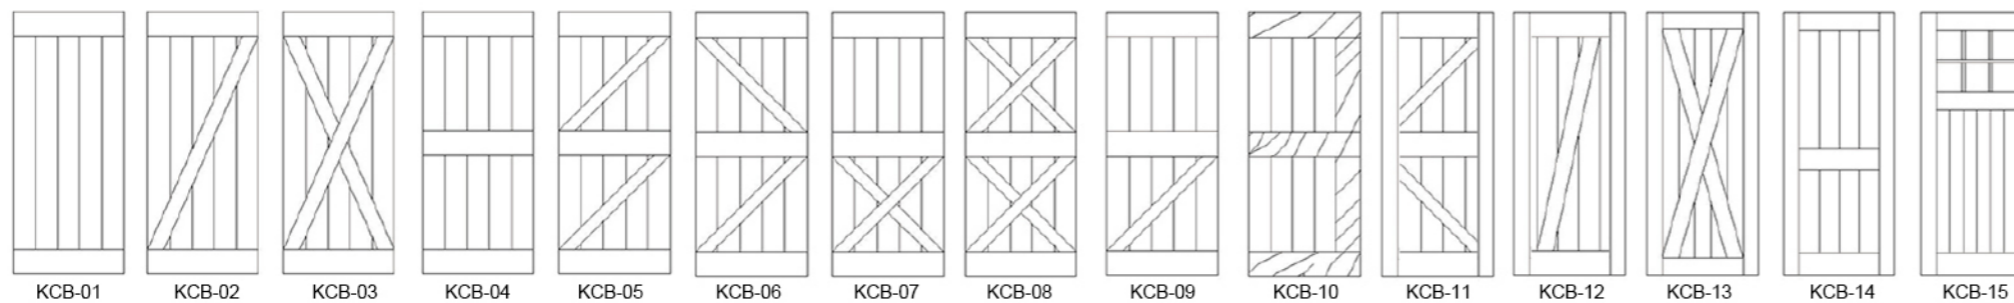

The most common applications include:
 closets
 pantries
 dens
 master bedroom to master bathroom
 TV and window coverings

POSSIBLE CONFIGURATIONS

Perfect Household Classic

THE MEANING OF THE DOOR

barn door is becoming more and more popular in home decoration and design, it is not only the door, but also play the role of aesthetics

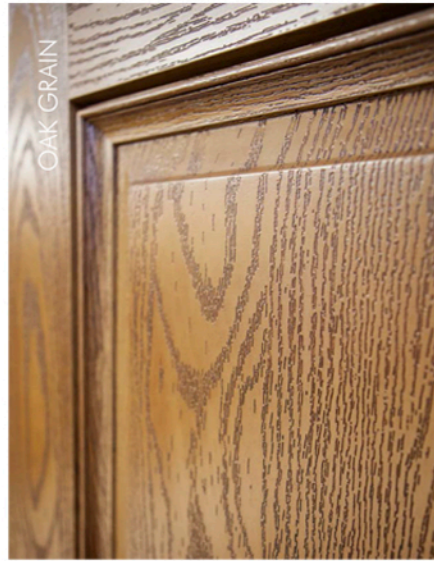

BARN DOOR COLLECTION

All doors are hand made sliding barn doors for a vintage or rustic look for your home. These interior doors give your home a personalized and vintage look. All wood used is pine. Pine wood keeps costs down and takes stain very easily. It also gives a great look and smell! We do not deal with the hardware portion of the project. Since all wood is unique, all doors will have slight variations.
