

**Guangzhou Netum Electronic Technology Co.,Ltd**

## **Folding portable document scanner**

### **Product introduction**

- Folding and rotating fuselage, the fuselage is small and foldable and easy to carry
- can adjust multiple joints, overhead shooting, selfie upside-down shooting, any side shooting
- Type-C can power supply interface, no external power supply, high-speed and high-quality data transmission
- Applicable to multiple application scenarios: scanning of corporate documents and contract bills, quick scanning of archives in archives, electronic archiving, online trial display of evidence and materials in evidence center, campus classroom, test paper and textbook display, online course teaching, remote calligraphy, painting training, video shooting, video recording, photo sharing, etc., in addition to support a variety of live communication software

# Guangzhou Netum Electronic Technology Co.,Ltd

## Product feature

- USB2.0 interface
- Auto Focus
- Touch focus
- Touch to rotate image
- Touch three segments control LED light
- 1080P@60fps

## 2、 Technical specification

Product		Video camera platform
light sensor chip	Imaging Sensor	IMX258
	Pixel Size	1.12um*1.12um
	optical fitting dimensions	1/3.06"
	focal length	2.8mm
	Aperture	1.9
	Degree	Diagonal=90.3°Horizontal=77.4° vertical=62°
	distortion	< 1%
	Resolution and frame rate	MJPG 3840*2880@10fps,3840*2160@15fps,2592*1944@30fps, 2048*1536@30fps,1920*1080@60fps,1600*1200@30fps, 1280*960@30fps,1280*720@30fps,1024*768@30fps, 800*600@30fps,640*480@30fps YUY2 1920*1080@5fps,1280*960@5fps,1280*720@10fps, 1024*768@10fps, 800*600@10fps,640*480@30fps
	Dynamic Range	70dB
	Sensitivity	10800 mV/lux-s
	CRA	33°

## Guangzhou Netum Electronic Technology Co.,Ltd

	Shutter type	Electronic rolling shutter
Effect	working voltage	USB5V
	working current	Max 203mA(LED working)
Further specification	USB takes	UP to 11 megapixels
	Audio	UAC standard
	UVC video	UVC, compatible with Windows/MAC OS/Linux/Android system
	USB port	USB2.0 port, UVC/UAC standard protocol, powered by USB
Product specification	Appearance	Folding type, metal parts
	Size	L*W*H: 220mm*62.5mm*12.5mm (Unfolding)
	Gross weight /net weight
