Main Products :

Erasable Gel Pen

Water Erasable Pen

Auto Vanishing pen

Erasable Coloring Pen

Air Erasable Pen

Silver Refills

Company History >>>

Founded 1995

Founded as a family workshop with 80m² in 1995. One day, the founder Mr. Hong was reading a junior high school chemistry textbook, he decided to study automatic fading pen ink on a whim. After half a year of trials, he finally developed an automatic fading pen for marking on clothing fabrics. In the next year, washable inks were developed successively. It has become the supplier of many well-known brands in the country (such as: NIKE, REEBOK, Converse, PUMA, ADIDAS and domestic first-line brands Anta, Jordan, Peak, etc.).

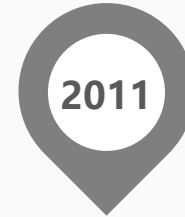

After 10 years of unremitting efforts, with the rapid development of the business, the company established a 3600m² factory in the industrial zone in 2005 and purchased several automatic pen holder assembly machines. Upgrade from manual manufacturing to modern industry. With the progress of society and the rapid development of the network, our company has successively joined Alibaba Global Network, Asia Global International Resources Network, and Made in China, vigorously recruited foreign trade salesmen, and actively participated in domestic and foreign exhibitions. Heimtextil in Germany, GARTEX in India, Canton Fair, CISMA in Shanghai, etc., to explore the global market.

2005

Company History >>>

Mr. Hong get an idea of researching a thermochromic pen, when he saw a thermochromic cup in an exhibition in 2011. After nearly two years of research and development, the high temperature disappearing ink was finally developed and made into a high temperature disappearing refill for the shoe factory. In 2014, at the request of Crayola Company in the United States, the high-temperature disappearing ink was made into a color-changing foaming liquid, and the cooperation was promoted.

Erasable Gel Pen >>>

EGP-VC

Erasable Gel Pen Capped
Product Model: EGP-VC
Material: PP
Tube: Transparent Tube+Colorful Eraser on cap;
Refill: Semi-transparent tube+solid color connect;
Refill size: Total Length 110mm; Tube length 84.70mm;
Outer D: 5.70mm; Inner D: 4.20mm;
Ink: Thermo Sensitive Ink; 0.8g/0.9g;
Tip: Stainless steel Spring tip/Normal tip 0.5mm/0.7mm;
Color solubility: 35%, 40%, 45%;
Color available: 20C.

Erasable Gel Pen Capped
Product Model: EGP-YM
Material: PC (BAYER-DE)
Tube: Transparent Tube+White clip on cap+Bevel shape eraser on tube end;
Refill: Semi-transparent tube+solid color connect;
Refill-size: Total Length 110mm; Tube length 84.70mm;
Outer D: 5.70mm; Inner D: 4.20mm;
Ink: Thermo Sensitive Ink; 0.8g/0.9g;
Tip: Stainless steel Spring tip/Normal tip 0.5mm/0.7mm;
Color solubility: 35%, 40%, 45%;
Color available: 20C.

EGP-LGS

Erasable Gel Pen Capped
 Product Model: EGP-LGS
 Material: ABS
 Tube: Solid color tube+Transparent eraser on cap;
 Refill: Semi-transparent tube+solid color connect;
 Refill size: Total Length 110mm; Tube length 84.70mm;
 Outer D: 5.70mm; Inner D: 4.20mm;
 Ink: Thermo Sensitive Ink; 0.8g/0.9g;
 Tip: Stainless steel Spring tip/Normal tip 0.5mm/0.7mm;
 Color solubility: 35%, 40%, 45%;
 Color available: 20C.

Erasable Gel Pen Capped
 Product Model: EGP-LGT
 Material: ABS
 Tube: Semi-Transparent Tube+Transparent eraser on cap;
 Refill: Semi-transparent tube+solid color connect;
 Refill size: Total Length 110mm; Tube length 84.70mm;
 Outer D: 5.70mm; Inner D: 4.20mm;
 Ink: Thermo Sensitive Ink; 0.8g/0.9g;
 Tip: Stainless steel Spring tip/Normal tip 0.5mm/0.7mm;
 Color solubility: 35%, 40%, 45%;
 Color available: 20C.

- * Environmentally Nontoxic ink.

- * Product Name: **Air Erasable Pen**
- * Color: Violet, Pink, Blue
- * Tip: Fibre Tip
- * Application: Temporary marking for fabric, patchwork, cross stitch, handicraft, embroidery, needlework etc.
- * Function: Marking trace can be vanished automatically, also can be erased by water or eraser pen.
The vanishing time may vary with the material of the fabric and the temperature/humidity of the surroundings. Normal vanishing time 2-4 days.
- * Storage life: 6 month
- * Notification:
 1. Make trial use on your clothes (especially dyed clothes) in advance.
 2. Take out marking completely before heating with irons and using soap or any other chemicals.
- * Environmentally Nontoxic ink.

Auto Vanishing Pen

Marker for Shoes & Leather Industry

Silver Refill

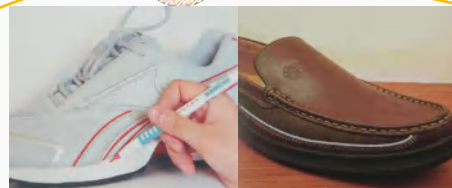

- * Product Name: **Auto Vanishing Pen**
- * Color: Violet, Pink, Blue
- * Tip: Fibre Tip, Nylon Tip
- * Application: Temporary marking for shoes' materials.
- * Function:

Marking trace can be vanished automatically, also can be vanished after heating in the oven.
The vanishing time may vary with the material of the fabric and the temperature/humidity of the surroundings.
Normal vanishing time 1-12 hours.

- 32# for PVC, Net Clothing,
- 35# for PU, PVC, Net Clothing, NAPA,
- 38# for Real fur materials,
- 42# for Black Skin, Back fur, PU, Two fox skin,
- 45# for Black Skin, Back fur, PU, Two fox skin.

- * Storage life: 6 month
- * Notification: Make trial use on your material in advance.
- * Environmentally Nontoxic ink.

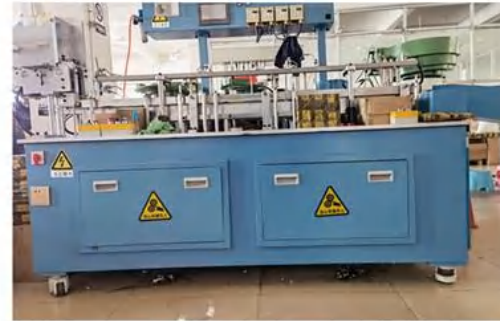

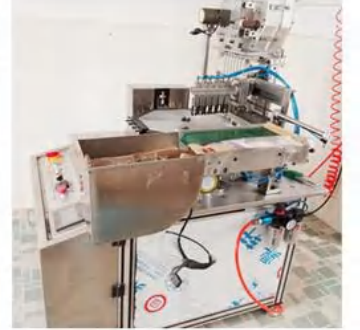

- * Product Name: **Silver Refill**
- * Ink Color: Silver
- * Tip: Copper tip
- * Application: Temporary marking for shoes' and leather materials.
- * Function: Marking on leather or shoes materials fluently.
- The line is obviously showed on dark materials.
- Brass tube, Nickle tube, Plastic tube.
- * Storage life: 1 year
- * Notification:
 1. Make trial use on your material in advance.
 2. Can't be erased.
- * Environmentally Nontoxic ink.
