- * Removable dining table
- * Stretching table
- * Bedside cupboard
- * Medical record folder

Optional Effect Illustration

Casters
(Optional)

Metal Guardrails
(Optional)

MF6S with metal guardrails and casters

Features

- The bed frame is made by welding high-quality steel sections and is coated with electrostatic powder on the surface. It is sturdy, durable and has a beautiful and elegant appearance.
- The bed board is made of high-quality cold-rolled steel plate, which is formed by a single stretching process. The surface is electrostatically painted for corrosion resistance and easy cleaning.
- The head and foot of bed are made of engineering plastic and are formed in one piece. They have an attractive appearance and are installed with a locking mechanism. They can be easily disassembled and can accommodate a bedside card.

Technical Parameter

Model	MF6S
External Size(W*D*H)	2120*900*560mm(±10mm)
Packing Size(W*D*H)	2050*1000*200mm
Gross Weight	45kg

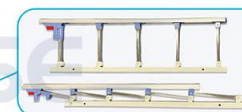

Optional Accessory

- * Casters
- * Metal guardrails
- * Punching bed board
- * Mattress
- * Infusion support
- * Removable dining table
- * Stretching table
- * Bedside cupboard
- * Medical record folder
