Technical Parameter

Model	MFYW201
Front Wheel Diameter	4 inch
Rear Wheel Diameter	3 inch
Seat Width	480mm
Seat Depth	195mm
Seat Height	470mm
Lifting Height	230mm
Passage Width	570mm
Loading Capacity	120kg
Material	High strength steel , PVC armrest
Transmission Way	Electric drive
Power Supply	100~240V 50/60Hz DC 24V
External Size	830*570*(830~1050)mm
Package Size	850*575*850mm
Net Weight	27kg
Gross Weight	29kg

Note: There is a slight 5mm or 10mm error in parameter measurement.
