

Intelligent Induction Spray Sterilizer

Features:

- * Alcohol disinfection and sterilization, safe and reliable
- * free, more assured
- * Intelligent upgrade infrared sensor
- * Extremely fast response, just reach out and spray

Technical Parameters:

Model	BZ-AutoS1
Induction Distance	1-12cm
Water Tank Capacity	100ml
Spray Capacity	40-60ml/h
Battery Capacity	1200mA
Power	2W
Net Weight	196g
External Size	102*87*67mm
Material	ABS+PC+PP
Input/Output Voltage	5V
Input/Output Current	0.8A
Interface Type	Type-C
Packing Size	110*95*75mm
Gross Weight	260g
