Honest ,Practical ,Cooperative ,Win-win  
Devoting to supplying high -quality tool steel material

Hubei Fucheng Tool steel Manufacturer

Address: 128 Zhangzhihe Avenue, Hekou Town, Xisai  
District,Huangshi city, Hubei Province, China  
Mobile/Whatsapp: 86 18972782802  
Email: sales@fcstoolsteel.com  
Website: www.fcstoolsteel.com

1.2379/1.2344/1.2316  
D2/H13/D6  
SKD11/SKD61

Size Range of Tool Steel  
Round Bar : Diameter 10mm – 700mm  
Flat Steel : Thickness 8–500mm  
Width 50–1000mm  
Forgings: max Φ 1200mm

# COMPANY PROFILE

Hubei Fucheng was established in 2007, covering an area of 43,000 square meters,we have five companies, among which Hubei Fucheng International Trade Co.,Ltd is the company specialized in exporting tool and die steels with high quality.Our Fucheng have the whole production line of smelting ,refining ,electroslag remelting ,forging ,annealing and finishing etc .

**Steelmaking production line:**  
12 tons of EF+LF+VD furnace + 6 sets of electric slag furnaces

**Forging workshop:**  
3 ton and 6 ton forging hammers

**Annealing workshop:**  
2 sets of 120 ton natural gas annealing furnaces +1 sets of 30-ton electric annealing furnaces

**Sawing + milling workshop:**  
10 sawing machines + 2 set of lathe and 2 set of milling machines  
Our factory serves medium and large steel wholesalers, stockists, traders around the world. Our fucheng can produce GB/DIN/ASTM/JIS etc standard tool steel with output 25,000 tons per year, We also have 5000 tons long-term stock, We establish a line of strict quality system to meet the increasing demand from our customer with high quality .We have already passed ISO 9001 quality management system certification ,environmental management system certification,occupational safety system certification and SGS product certification etc.Adhering to the principle of “ Integrity Management ,quality first ”,we provide the high quality products and professional service for each customer . Whatever in the past or looking to the future , we will stick to our original aspiration and keep moving forward. Welcome to contact and visit us for further business negotiation!
