

珠海元朗食品有限公司 Zhuhai Eulong Foods Limited 源自香港 SINCE 1988

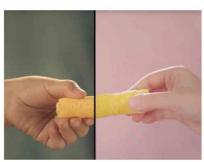

ABOUT EULONG

In order to present to the world this authentic taste of Hong Kong, EULONG decided to combine the traditional crafts with modern technology and turned it into unique industrial-scale products that had until then been made by food workshops.

Since its establishment in 1988, EULONG have taken inheritance and innovation of traditional Chinese food as its own duty. High quality sweetness can only originate in a great passion: a passion for tradition. With the craftsmanship and great attention to natural ingredients, EULONG has built a good reputation in domestic market as its wide assortments of products, high sales volume and extensive market penetration have long been broadly recognised. Today we have supplied thousands of products to the dealers and retailers around China. Our product currently have reached the overseas market around the world as well. We pride ourselves on promoting this Chinese traditional baked food to the world, making every moment of consumption as a sweet and delightful one.

SWEET & DELIGHT

PREMIUM QUALITY

The goodness of EULONG cookies is based on its raw materials. These superior ingredients are blended to perfection to reward consumers with a unique sensory experience and ensure a premium product. Quality is a central concern which has always been taken seriously at every stage including raw material, production process and final product to ensure that set standards and consistency are maintained.
