Tailor your training to your unique needs with adjustable oxygen levels, ensuring a personalized and effective training regimen.

**Continuous Operation**

Capable of continuous operation 24 hours a day, 7 days a week, stable performance

**7X24h**

## APPLICATION

FOR HOME USE

FOR SPORTS CENTER/GYM

FOR MOUNTAINEERS

FOR HEALTHCARE CENTER AND MEDICAL PURPOSE

## PRODUCT SPECIFICATION

Model	DY-2
Hypoxia Training Oxygen Purity	9%-18% ±1%
Hyperoxia Training Oxygen Purity	60%~96%
High Oxygen Delivery Flow Rate	0-10L/min
Hypoxic Delivery Flow Rate	115L/min
Voltage	AC220V±22V, 50Hz±1Hz (Customized)
Hyperoxia Oxygen Output Pressure	40kPa-100kPa
Sound Level	≤48dB
Power Consumption	620VA
Net Weight	35KG
Size	450x350x680 (mm)
