Note:

Dear Sir/Madam, we are professional Co2 laser tube manufacturer. We have been made OEM to many big companies in oversea. With the increasing of laser tube manufacturer meanwhile competition is getting fierce, we are building own brand now. In many years, we are absolutely understood customer's demand. So In order to meet the needs of each customer, we have three kinds of laser tube to everyone.

Z40,Z60,Z80,Z100,Z130, This kind of laser tube is stable laser tube, quality is very stable , minimum using life is 200days. (warranty 200days)

S80,S100,S130,S150, This kind of laser tube is enhanced, minimum using life is 300days ,the raw of Co2 laser tube body and cavities mirror is imported, meanwhile has authentic USA gas. so definitely improve power and using life .

The appearance is same with EFR 's F series laser tube. (warranty 300days)

ZS80, ZS100, ZS130, ZS150,Co2 laser tube is using life which is more better than Z and S series. The minimum using life of ZS series is 1 year. The appearance looks more beautiful. (warranty 360days)

The warranty time is from date of production to prescriptive date. when we send to customers , our worker stick date on the laser tube. so please don't worry!

In order to transport safety , our min order is 24Pcs(total laser tube pieces),because every six pieces is one big box.
