艺术片材水磨石是腾翔再生石以传统无机水磨石出发，  
在对材料、工艺、美学、生产可能性的持续探索中，致力于令水磨石焕发出新的生  
命力，专属个性化定制的材料，它是采用不同颜色的大理石、花岗石碎片等不规则  
骨料结合无机材料通过现浇工艺标准制造的预制板材。

Designed Terrazzo is PENGXIANG green stone start from traditional terrazzo,  
In the continuous exploration of materials, craftsmanship, aesthetics, and production possibilities,  
we are committed to making the terrazzo glow with new vitality. It is an exclusive and customized  
material. It is a prefabricated slab manufactured by using different colors of marble, granite  
fragments and other irregular aggregates combined with inorganic materials through the  
cast-in-place process standard.
