

PHANTOM

2

SERIES

Creating diverse artistic effects through light and shadow, infusing spaces with a natural premium aura.

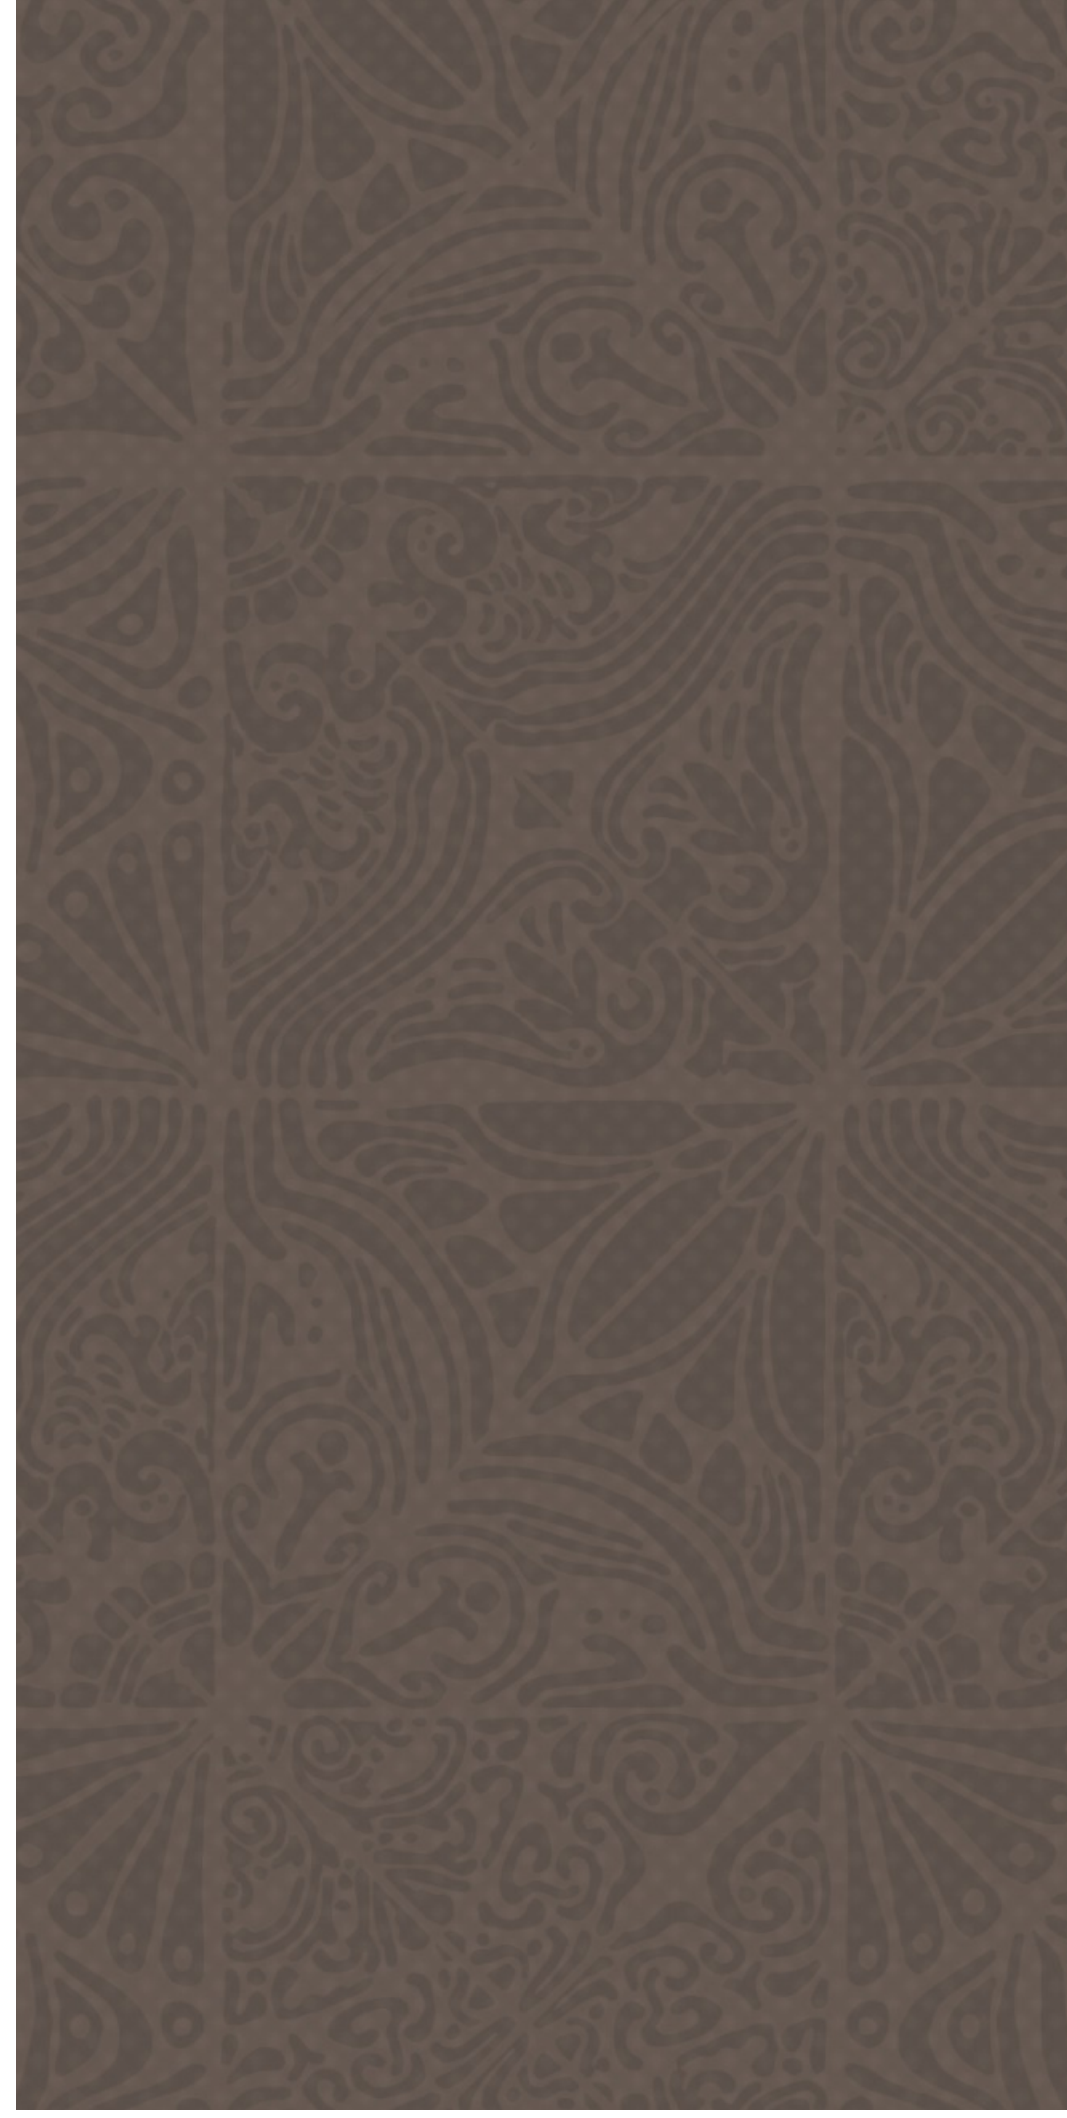

Phantom Effect:
Textures appear and disappear from different angles, delivering a light-luxury, refined look without exaggeration.

Eco-Friendly EB Technology:
Odorless and residue-free, providing a safe environment for the elderly and children

Unique Premium Texture:
Featuring exclusive patterns that suit minimalist, light-luxury and modern styles.

Easy to Maintain & Durable:
Silky smooth to the touch, retaining its attractive appearance over long-term use.

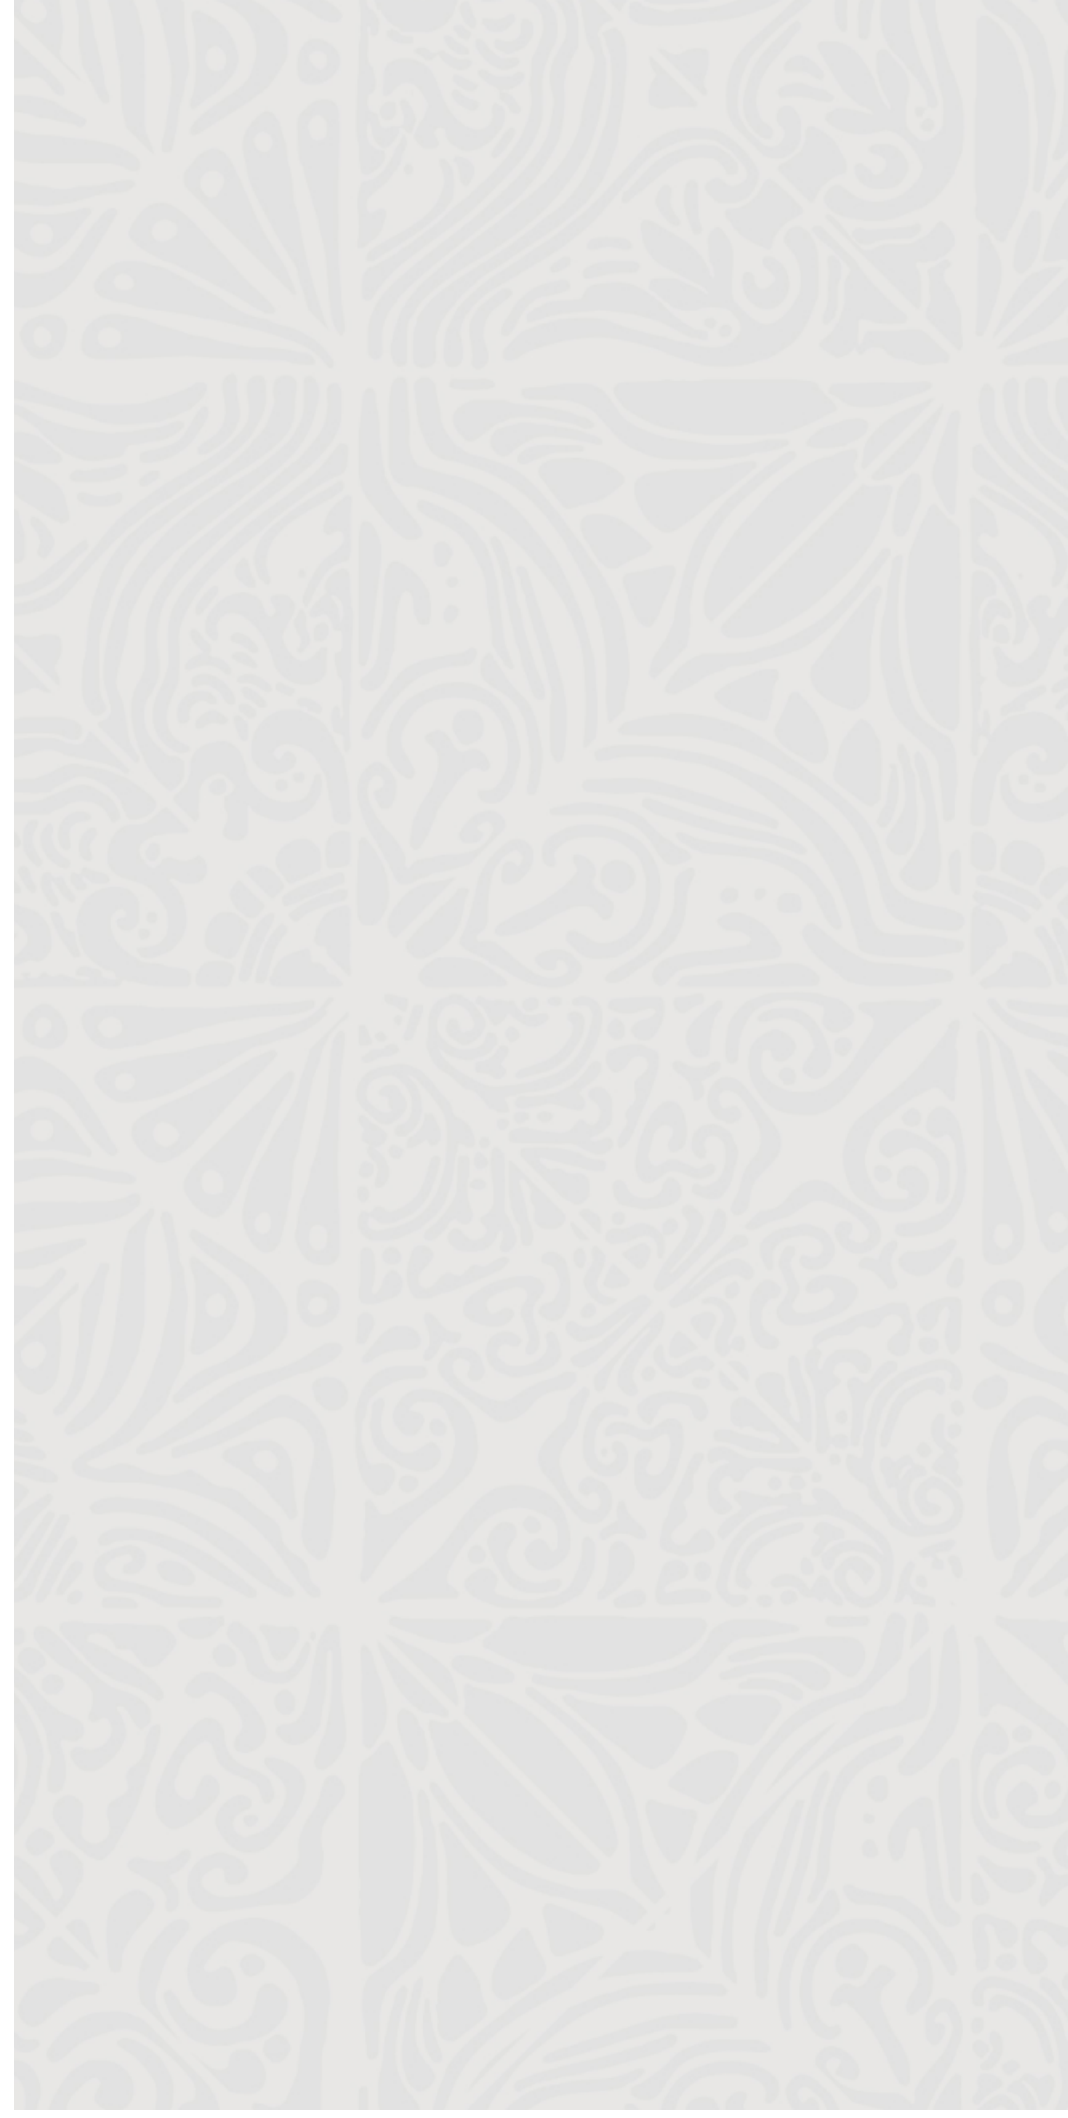

Note: Color samples are for reference only. Final appearance is subject to actual material.
