Dandong Laotang Textile Mill

About Us

Dandong Laotang Textile Mill is located in Jinshan industrial park, Yuanbao district, Dandong City, Liaoning Province, covering an area of more than 20,000 square meters, with about 1 self-built factory ten thousand square meters. With bath towel fabric professional weaving production line; Sewing, cutting, ironing and packing of bath gloves production line; Independent storage space of 8000 square meters; Own R & D team, professional quality inspection process, solid brand reputation.

LAOTANG brand started in 1991, and our exfoliating gloves was sold all over the country and became a popular bathing product for the common people. In 2017, LAOTANG bath glove began to go international market. Up to now, we have cooperated more than 800 customers from more than 80 countries around the world. Our traditional products from the cultural style, modeling, patterns and other visual and experience system for a comprehensive upgrade, positioning a series of hot, fashionable home cleaning new products. At the same time, we also provide more OEM / ODM service for our international customers.

Lao Tang brand has developed from a textile enterprise producing bath glove fabric, and will continue to focus on the development and innovation of body cleaning products. For the public to provide green environmental protection, comfortable fashion, fully functional cleaning products for the development of the concept, and continue to work hard, continue to surpass!
