

LED Work light

SM-6024-RFD

Function and performance	Parameters
Item No.	SM-6024-RFD
Dimension	L141 * W89.6 * T62.5 mm (not including the bracket) L5.55" x W3.53" x T2.46" Inch
Working voltage	9-48V DC (9V light up, 12-48V constant power)
Theoretical power	24W LED- 3W*8Pcs
Color temperature	5700-6500K
Luminous flux	1500±150 lm, Luminous efficiency > 85lm/W
Working temperature	-40°C~ +85°C
Beam angle	50%(H,V)= (35°,30°) Flood
Waterproof and Dustproof	IP67
Transient shock	75VDC, 20mS
Reverse polarity protection	36VDC, 60Min
EMC	ECE-R10
Vibration strength	9G
Life span	25000h
Connection	Direct wiring, wire length 150mm (Red: positive electrode +, Black: negative electrode -)
Install method	Bracket stand screw fixture, screw M10
Application	Engineering vehicle、Special vehicle、Agriculture machinery
Packaging	White color box. 1set/box, 24sets/carton (12 Pairs)
