BABY NURSERY CATALOGUE

Xiamen HBB Children Articles Co.,Ltd. entered this juvenile industry from 2009 year.we are the manufacturer with our own system of design,development,production and marketing.We supply a wide range of products including baby playpen,baby pushchairs, high chair, bed rail, rocker and so on. Most of products are meeting the latest EN standards and be well accepted in European,Australia, South America,Middle East and Africa countries.

Our factory covers 50000 square meters and have a team of 500 people.our production capacity can reach to 100x40HQ containers each month.we believe our factory will be stronger and better .

Now the competition is worldwide and the fashion demands are from all Mums&Papap, the collection always follow the trend and change quickly. we always are on the way to learning and improving our products , developing with our clients together.

We are looking forward to establishing long-friendly cooperation with customers all over the world.
