分析报告单
Certificate of Analysis

| | | | |
|--------------|-------------|--------------|------------|
| Product Name | Ensulizole | CAS NO. | 27503-81-7 |
| Batch No. | MJ-20210515 | Batch Weight | 300kg |
| MFG. Date | 2021.05.15 | Retest Date | 2023.05.14 |

| Item | Specification | Result |
|--|--------------------------------------|---------|
| Appearance | White crystalline powder | Conform |
| Odour | Characteristic, conforms to standard | Conform |
| Identification | A. Infrared Absorption 197K | Conform |
| | B. Ultraviolet Absorption 197U | Conform |
| Specific Absorption (1%, 1cm at 302nm) | 920~990 | 953 |
| Assay (Titration) | 98.0%~102.0% | 101.6% |
| Loss on Drying | 2.0% max | 0.93% |
| Conclusion: Meets the requirements of the current USP monograph for Ensulizole. | | |
