## TPH Paint Protection Film

### Glossy Paint Protection Film

Item No.: TPH-glossy Black  
Brand: Dmis

#### Key feature:

Heat-repaired  
Anti-fouling  
Anti-corrosion  
Anti-rain spot  
Anti-yellowing  
High hydrophobicity 3mil  
Increase 150% brightnes  
Duribility 5years

#### Thickness data

Release Liner Thickness: 2.0mil  
Coating Thickness: 0.5mil  
Backing Thickness: 7.0mil  
Glue Thickness: 1.5mil  
PET glue protective liner thickne  
Brand: Dmis  
100% USA material

#### Other Datas:

Tensile strength: 16.5pli (30.7kg/cm)  
Elongation: >130  
Temperature resistance: -30 °C~80 °C  
Weater resistance: yes

### Matte Paint Protection Film

Item No.: TPH-Matte Black  
Brand: Dmis

#### Key feature:

Heat-repaired  
Anti-fouling  
Anti-corrosion  
Anti-rain spot  
Anti-yellowing  
High hydrophobicity  
Strong frosted texture  
Duribility 5years

#### Thickness data

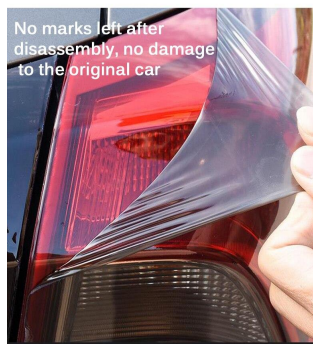

Release Liner Thickness: 2.0mil  
Coating Thickness: 0.5mil  
Backing Thickness: 7.0mil  
Glue Thickness: 1.5mil  
PET glue protective liner thickne  
3mil  
Material: BASF  
Glue: Ashaland Glue  
Brand: Dmis

#### Other Datas:

Tensile strength: 16.5pli (30.7kg/cm)  
Elongation: >130  
Temperature resistance: -30 °C~80 °C

## TPH Headlight Protection Film

### Multiple Tint selection

### Material TPH Puncture Resistant

Hydrophobic  
Anti Chipping  
Self Healing  
Water Beading
