Quotation of Hair straightener				
1		name:	Portable Wireless hair straightener	
		number:	TJYL-007W	
		specifications:	Pink green red silver black (customized color)	
		properties:	Hair straightener with diamond usb: type CPower15WVoltage:5v Color: Pink green grey MOO: 2Pcs OEM & ODM:Support Diameter of heat conductor:10cmmaterial: one packing size:L46*W46*H227/MM 317gbox quantity .40pcsbox size: L487*V474*H123/mm 13.85kg temperature:160°C 180°C 200°C	
selling points:	Can quickly heat, no damage to hair, wireless portable hair straightener, home, travel, work can be carried, long time use can use 2 hours	22USD		
packaging:	Package dimensions: Gift box size: 20.3x3.5x3.5cm merchandise quantity:1pcs Package weight:370g			
2			name:	Wireless hair straightener
			number:	TJYL-007
		specifications:	Pink green grey (customized color)	
		properties:	Hair straightener with diamond usb: type CPower15WVoltage:5v Color: Pink green grey MOO: 2Pcs OEM & ODM:Support Diameter of heat conductor:10cmmaterial: one packing size:L46*W46*H227/MM 317gbox quantity .40pcsbox size: L487*V474*H123/mm 13.85kg temperature:160°C 180°C 200°C	
selling points:	Can quickly heat, no damage to hair, wireless portable hair straightener, home, travel, work can be carried, long time use can use 2 hours	17.5USD		
packaging:	Package dimensions: Gift box size: 20.3x3.5x3.5cm merchandise quantity:1pcs Package weight:370g			
21			name:	Wireless hair straightener
			number:	TJYL-011
		specifications:	Pink balck grey dark grey	
		properties:	Outer packaging size : L510*482*135 Battery / capacity : Built-in Battery 5000mAh Input Voltage : 5V ~ 2A Output voltage : 3.7V USB charging time : 2.5~3h 160°C / 320°F can usage time 40~50min 180°C / 356°F can usage time 35~40min 200°C / 392°F can usage time 30~35min 160°C / 320°F heating, speed 45/S 180°C / 356°F heating, speed 60/S 200°C / 392°F heating, speed 75/S	
selling points:	Can quickly heat, no damage to hair, wireless portable hair straightener, home, travel, work can be carried, long time use can use 2 hours	20USD		
packaging:	inner packaging weight : 274.5g inner packaging size : L37*W35*H 225/mm Single / package / weight : 340g Single / package / size : L48.5*W48.5*H233/mm Outer packaging weight : 14.2KG Outer packaging size : L510*482*135			
4			name:	hair straightener
			number:	HS-101
		specifications:	balck	
		properties:	Eight practical functions 1. Ceramic glazed panel 2. High-speed motor 3. LCD digital display 4. Multiple temperature control 5. Smooth air duct 6.3 seconds fast heat 7.360° Turn tail line 8. Lasting patterns One key switch intelligent digital display, multi-file intelligent temperature control 140°C-160 °C Fine soft hair 160°C -180°C general hair 180°C-200°C coarse and hard hair	
MOQ≥200	25USD			
5		name:	hair straightener	
		number:	HS-709	
		specifications:	white	
		properties:	Rated frequency: 50Hz Rated power: 60W Rated voltage: 220V Operating temperature: 100°C~220°C Iron plate size: 102x56mm Product size: 316X56X23mm Functional advantages: 1. Smooth and unstuck hair 2.15 seconds fast heat 3. Hydrating negative ions 4. Infrared penetration 5.12 gear temperature control 6. LCD display	
MOQ≥300	13.5USD			
6		name:	hair straightener	
		number:	HS-715	
		specifications:	balck	
		properties:	Body length: 27.5cm Heating time: 30 seconds fast heating Wire length: 2.4 meters Additional functions: Straight roll dual use Rated power: 50W Rated voltage: 110V~220V Gear selection: four gear selection 8 Advantages: 1. Low temperature to prevent burns 2.30s fast heating 3. 10 million negative ions 4. Reduce heat damage 5. Straight roll dual use 6. Lasting patterns 7. Four-speed temperature control 8. Security Power off safely	
MOQ≥200	13USD			
7		name:	hair straightener	
		number:	HS-716	
		specifications:	balck pink	
		properties:	Product size: 267*41*30.2mm Heating time: 30S speed heating Power cable: 360° rotation tail cable Additional functions: Double use for winding Rated power: 45W Rated voltage: 220V Gear selection: 5 speed temperature selection 8 highlights design: 1. Roll-straight dual purpose, convenient 2. 10 million negative ions 3. Essential oil ceramic coating 4. LCD digital display 5. Five-speed temperature control 6. Smart power off 7.30s Rapid temperature rise 8.360° Turn tail line	
16.6USD				
Quotation of Hair straightener comb				
8		name:	Cool straight hair comb	
		number:	TJDSM-6001	
		specifications:	white	
		properties:	• HD LED digital display • Fast heating • MCH/PTC is hot • Power cord can be rotated 360° • Adjustable temperature with one hand • 60 seconds automatic shutdown Rated voltage: 100-240V Product power: 35W Rated frequency: 50/60Hz Display type: LED digital tube Temperature range: 150-210°C Default setting: 190 ° C Heating speed: 180°C in 90 seconds	
Operation instruction:	1. Short press to power on and long press 2 seconds to power off; After starting up, press the open key to adjust the temperature gear; Turn on the cold air. 2. Press the cold air button to switch on the cold air function 3. Temperature display: 150-210°C Short press the power button to adjust the temperature gear 160-180-190-200°C; Real-time digital display of digital tube when heating up 4.3 seconds no operation lock key quickly press twice to unlock the lock state can be shut down (can be brought or not according to customer requirements) 5.30 minutes automatic shutdown (customizable)	21.5USD		
size:	Product size: 300*31*38mm Heating tooth size: 110*29mm Weight: 340g			
9			name:	Cool straight hair comb
			number:	HS-908
		specifications:	white	
		properties:	• HD LED digital display • Fast heating • MCH/PTC is hot • Power cord can be rotated 360° • Adjustable temperature with one hand • 60 seconds automatic shutdown Rated voltage: 110-220V Product power: 48W Rated frequency: 50/60Hz Display type: LED digital tube Temperature range: 160-200°C Default setting: 160°C	
Operation instruction:	1. Short press to power on and long press 2 seconds to power off; After starting up, press the open key to adjust the temperature gear; Turn on the cold air. 2. Press the cold air button to switch on the cold air function 3. Temperature display: 160-200°C Short press the power button to adjust the temperature gear 160-180-190-200°C; Real-time digital display of digital tube when heating up 4.3 seconds no operation lock key quickly press twice to unlock the lock state can be shut down (can be brought or not according to customer requirements) 5.30 minutes automatic shutdown (customizable)	21.5USD		
size:	Product size: 300*31*38mm Heating tooth size: 110*29mm Weight: 340g			
10			name:	straight hair comb
			number:	HS-8009C
		specifications:	pink	
		properties:	• HD LED digital display • Fast heating • MCH/PTC is hot • Power cord can be rotated 360° • Adjustable temperature with one hand • 60 seconds automatic shutdown Rated voltage: 110-220V Product power: 48W Rated frequency: 50/60Hz Display type: LED digital tube Temperature range: 80-210°C Default setting: 80°C 17,000 + negative ions 2. Thermostatic hair 3. Vibratory massage 4.14 LCD temperature control 5. Anti-hot design 6. Power off protection	
25USD				
11		name:	Wireless straightening comb	
		number:	TJ-009	
		specifications:	grey	
		properties:	Battery / capacity 4800mAh Built-in Battery Built-in Battery Input Voltage 5V ~ 2A 5V~2A Output voltage 3.7V 3.7V charging port Type-C USB charging time 2.5~3h 140°C / 266°F 50~60min 160°C / 302°F 45~50min 180°C / 338°F 40~45min 200°C / 374°F 30~35min 140°C / 266°F 120/S 160°C / 302°F 170/S 180°C / 338°F 220/S 200°C / 374°F 280/S	
selling points:	Can quickly heat, no damage to hair, wireless portable hair straightening comb, home, travel, work can be carried, long time use can use 2 hours	21.8USD		
packaging:	inner packaging weight 254g inner packaging size Ø35.8*H 236 /mm Outer packaging weight Kg Outer packaging size L*W*H/mm Single / package / weight g Single / package / size L*W*H/MM Full container / quantity / SET			
12			name:	Wireless straightening comb
			number:	HS-103
		specifications:	grey blue	
		properties:	Body net weight: 350g Product size: 270*42.5*32.5mm Heating body: MCH Gear: 4 Charging mode: Type-C 8 advantages design 1. Wireless design, easy and convenient 2. 10 million negative ions 3. Infrared function 4. LCD digital display 5. Four-speed temperature control 6. Smart power off 7.30S Rapid temperature rise 8.USB charging	
22USD				
Quotation of Hair Curling iron				
13		name:	Automatic curling iron	
		number:	W886Q	
		specifications:	purple	
		properties:	Body length: 35cm Heating time: 30 seconds fast heating Wire length: 1.7M Additional functions: constant temperature heating 130°C~210°C free switching Rated power: 42W Rated voltage: 220V Gear selection: five-speed temperature control + indicator light, 30 seconds preheating, rapid warming Advantages: 1. Automatic roll 2.30s fast heating 3. Tens of millions of ions 4. Anti-tear hair design 5. Plant essential oils 6. Lasting patterns 7. Multiple temperature control 8. Safety guarantee, 60 minutes power off	
MOQ≥1000	11USD			
14		name:	French omelet hair roller	
		number:	HS-102	
		specifications:	pink	
		properties:	Rated voltage: 220V Rated power: 90W Rated frequency: 50Hz Temperature: 100-210°C Advantages: 1. Multiple temperature control 2. Lasting patterns 3.30S rapid heating 4. Prevent front end from burning 5. French Lazy V-shaped 32MM egg roll hair 6. Negative ion hair care 7. Safety guarantee, 60 minutes power off 8. Vegetable protein	
MOQ≥300	15USD			
Quotation of Corn splint iron				
15		name:	Pea-pod corn splint iron	
		number:	HS-723	
		specifications:	yellow	
		properties:	Rated voltage: 220V Product size: 250*55*33mm Rated power: less than 50W Heating body: PTC ceramic heating body,30 seconds rapid heating Advantages: 1.3D three-dimensional rounded grid teeth, easy to clip supernatural 2. 10 million negative ions 3. Arc design 4.LCD LCD digital display 5. Multiple temperature control 6. Intelligent power failure, security 7.30S Rapid temperature rise 8.360° rotation tail line, easy and convenient	
MOQ≥200	12USD
