UNLOCK INNOVATION: YOUR KEY TO SMART SECURITY

• ANTI-VIOLENCE PRY-RESISTANT LOCK

• ANTI-CARD PRY-RESISTANT LOCK

• ANTI-IMPACT LOCK TONGUE

V6-DV

3D structured light face recognition
+ fingerprint + Password + IC card + key
+ temporary password
Standard somatosensory
Motion detection
Real-time video/Standard WiFi
Standard small screen

V6-DM

3D structured light face recognition
+ fingerprint + Password + IC card + key
+ temporary password
Standard somatosensory
Motion detection
Standard WiFi
Standard small screen

V5 Pro

3D structured light face recognition
+ fingerprint + Password + IC card + key
+ temporary password
Standard somatosensory
Motion detection
Standard WiFi
Standard small screen

K7 Pro Max

3D face + fingerprint + password + IC card
+ key + temporary password + bluetooth
Standard WiFi/motion sensing
Motion detection/small screen
Passive image transmission/video
Real-time two-way video
(requires M2 shield box)

S12 Pro Max

3D face + fingerprint + password + IC card
+ key + temporary password + bluetooth
Standard WiFi/motion sensing
Motion detection/small screen
Passive image transmission/video
Real-time two-way video
(requires M2 shield box)

S11 Plus

3D face + fingerprint
+ password + IC card
+ key + temporary password + bluetooth
Standard WiFi/body sensing
Motion detection
Active image transmission/video
Real-time two-way video
Standard small shield elf

S11 Pro Max

3D face + fingerprint + password + IC card
+ key + temporary password + bluetooth
Standard WiFi/body sensing
Motion detection
Active image transmission/video
Real-time two-way video
Standard small shield elf

S800

Fingerprint + password + IC card
+ key + temporary password

S9 Pro Max

3D face + finger vein
+ password + IC card
+ key + temporary password + bluetooth
Standard WiFi/motion sensing
Motion detection/small screen
Passive image transmission/video
Real-time two-way video
(requires M2 shield box)

**L12 Pro Max**

3D face + fingerprint
 + password + IC card
 +key+temporary password+bluetooth
 Standard WiFi/motion sensing
 Motion detection/small screen
 Passive image transmission/video
 Real-time two-way video
 (requires M2 shield box)

**L11 Pro**

Fingerprint + password
 + IC card
 +key+temporary password+bluetooth
 Standard WiFi/motion sensing
 Motion detection/small screen
 Passive image transmission/video
 Real-time two-way video
 (requires M2 shield box)

**L10 Pro Max**

3D face + fingerprint
 + password + IC card
 +key+temporary password+bluetooth
 Standard WiFi/motion sensing
 Motion detection/small screen
 Passive image transmission/video
 Real-time two-way video
 (requires M2 shield box)

**X8**

Fingerprint + password + IC card
 + key + temporary password
 Standard small screen

**X9**

Fingerprint + password + IC card
 + key + temporary password
 Standard small screen

**L1**

Fingerprint + password + IC card
 + key + temporary password
 Standard small screen

**L10-DM Pro**

3D face recognition + fingerprint
 + password + IC card + key
 + temporary password
 Standard somatosensory
 Motion detection
 Standard WiFi
 Standard small screen

**S7-DM**

3D face recognition
 + fingerprint + password
 + IC card+key+temporary password
 Standard somatosensory
 Standard WiFi
 Standard small screen

**M30**

3D face recognition + password + IC card
 + key + temporary password
 Standard small screen

**M2**

Let smart locks realize real-time
 two-way video
 Doorbell + low battery reminder
 Reduce smart lock power consumption
 after adding gateway
 (long battery life)

**S2-DM Pro**

3D face recognition
 + fingerprint + password
 + IC card+key+Temporary password
 Standard somatosensory/motion detection
 Standard WiFi
 Standard small screen

**M20 Pro**

Fingerprint + password + IC card
 + key + temporary password
 Standard small screen

**S2 Pro**

Fingerprint + password + IC card
 + key + temporary password
 Standard small screen
