About US

Xiamen Superhome is a professional sanitary ware manufacturer, specializing in OEM/ODM services for the international market since 2016. Our company has ISO9001:2015, ISO45001-2018, ISO14001-2015 and CE certified, and has passed factory audits conducted by several renowned international corporations.

Superhome keeps improving our technology and integrating our resources to support the market development, with the skilled workers and advanced production equipment. With a decade of expertise in sanitary ware, we have fostered a strong technical and marketing team, that is rooted in the principles of Teamwork, Efficiency, Innovation, and Win-win.

Superhome strives to deliver the best value solutions for kitchen and bathroom spaces. Our product range is categorized into three price tiers – Good, Better, and Best, ensuring that customers can find the perfect match for their budgetary needs. Our superior quality products aim to provide end-users with a healthy and comfortable experience.

Best quality, customer first and best reputation are insisted as our faith. We are in pursuit of good-quality product and managing honestly and faithfully, we renew and make progress by ourselves and enhance strength in the competitive market.

Superhome is looking forward to the cooperation with you, we will be your excellent and good reputation partner. We sincerely welcome you visit our website and our factory in Xiamen.

WHAT CAN WE OFFER YOU?

 STABLE & CONSISTENT QUALITY Meeting your high standards	 SHORT TOOLING LEAD TIME No worries for urgent needs
 ON TIME DELIVERY QUICK AFTER-SALES SERVICE Time efficiency is our priority	 PROFESSIONAL TEAM SUPPORT Helping you achieve greater value
 NEW PRODUCT RECOMMENDATION Staying ahead of market trends	 PROVIDE PROFESSIONAL SOLUTIONS Creating a comfortable living space

Shower Set With Water Pressure Balance Cartridge

The water pressure balance cartridge is a crucial component in shower equipment.

It automatically adjusts the water flow to ensure a stable and comfortable water outlet from the showerhead under different water pressure conditions.
