## About Us

Superhome has been making superb bathrooms for 10 years and do OEM/ODM for various international big brands and service brand. Our factory has end-to-end manufacturing process, Casting, CNC Machining, Polishing and Assembly etc. We also holds ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certifications. Has a more than 10 years exporting and professional foreign sales service team.

## Quality Products

As we design, manufacture and supply our own products. We are total in control of the end result and can guarantee their quality. We have invested heavily in our facilities and our cutting-edge factory are now ISO-certified. Our R&D team regularly develops new products every season for our customer and assist our clients surceasing in their markets.

## Best Prices

We can offer the very best prices because we make our bathroom products. Our product portfolio has also been developed to ensure it can be produced in a highly efficient way. That means consistently low prices. You can dream of your luxurious new bathroom confident there will be no nasty surprises!

## Delighted in Design

Our team of international designers has been carefully selected to create a wide range of products -from showers and taps to accessories and ceramics -for all styles of bathroom. As Superhome is all about ease and simplicity, our designers have also focused on creating seamless collections of products, from full bathroom suites to complementary accessories that provide the perfect finishing touch.

## Superhome built to last

### Testing, testing, testing.

We are passionate about quality. In our cutting-edge labs specialist teams use rigorous testing systems to ensure our products last a lifetime.

# Factory Environment Equipment Showcase

Welcome to Our Factory! Explore Quality Firsthand, Build Trust Together

## Warehouse

Efficient inventory management and logistics systems ensure smooth production flow and timely product delivery

## Machining & Assembly Area

Efficient inventory management and logistics systems ensure smooth production flow and timely product delivery

## Office Area

The Office Area serves as the administrative and production coordination hub of the factory.

Superhome  
Reasons to Believe

Superb design and superior size and strength combine to guarantee long-lasting performance.

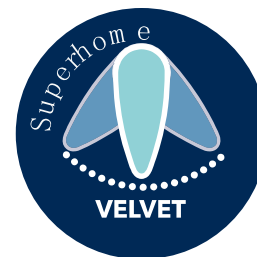

All our taps are wonderfully intuitive and have been carefully designed to deliver both supreme ergonomic comfort and premium performance.

With a multilayered coating of the purest and best-plated chrome, the finish of Superhome products has a brilliant shine that lasts for years.

Superhome's eco-technology is guaranteed to save water and energy while delivering peak performance.

Our cutting-edge ceramic cartridges ensure you will enjoy the velvety smooth action of all our taps for a lifetime.

Featuring the latest spray technology, our showers are easy to use, supremely ergonomic and have the power to revitalise and soothe like spring rain.
