

Z 型提升机 Z type elevator Model Z4000

i. 应用 Application :

适用于颗粒物料提升 Suitable for granule materials' transportation and promotion.(Rice, beans, seeds, pulses etc.)

ii. 技术参数 Technical Parameters:

型号 Model	Z4000
动力(kw) Power	3kw
斗容量 Bucket capacity	4L
提升产量 elevator capacity	12.5t/h
提升机高度 Outside height	4000

iii. 功能特点 Main feature :

- 1 采用特质链条，经久耐用； Special chain, good performance and durable;
- 2 震动喂料，均匀流畅，电位控制喂料大小； Vibration feeding, even and smooth, potential control feeding size;
- 3 料位控制，自动开停； Control the material of Silo, start and stop automatically;
- 4 集水平运输于一体，对厂房高度要求低； It integrates horizontal transportation and has low requirements for plant height;
