DEVELOPMENT

Do not forget the original heart and remember the mission

Revised sentence: "In 2010, the company embraced a people-oriented spirit, strengthened accountability, implemented detailed management practices, and focused on enhancing the level of various work. Furthermore, efforts were made to enhance the enterprise system and establish standardized procedures to guide both management and employee behavior. Through innovative mechanisms, work efficiency was improved significantly, laying a solid foundation for the harmonious development of the company

Revised sentence: "In 2011, with a focus on development, we actively expanded our business and successfully increased our influence in the provinces of Guangdong, Hunan, and Fujian over a span of three years. We have established strong cooperative relationships with franchisees across various regions and concluded this year by executing the expansion and relocation of our plant.

In 2013, the company focused on strengthening and expanding its main business in the home improvement sector, establishing a strong brand advantage. It actively addressed customer feedback issues and optimized product quality. Additionally, the company successfully expanded its network of dealers nationwide. Furthermore, the company's qualifications were upgraded once again, contributing to enhanced economic growth

Revised sentence: "2015-2016: In the past two years, we have also implemented online promotional activities to secure better development opportunities. By adhering to our original intention of fostering win-win collaborations, we have successfully established partnerships with several construction companies and gained high recognition from them context while reinforcing their sense of responsibility and mission. Consequently, this endeavor provides ample motivation for enterprise growth and culminates in the debut of our products at the Guangzhou door and window exhibition.

In the blink of an eye, ten years have passed in this decade where we have been filled with passion and dedicated ourselves to elevating ordinary work. Reflecting on the past, each moment feels like yesterday's memory. The company has summarized the outstanding achievements and shortcomings of the past ten years, highlighting employees' commitment to innovation and progress, fostering unity and cohesion among all staff members, ultimately leading to remarkable accomplishments for the company

The market, governed by the principles of natural selection and survival of the fittest, does not exhibit sympathy towards those who are weak. Throughout our journey, we have encountered various challenges, setbacks, and adversities; however, these experiences have fostered a culture of care, support, and love within our organization. We have forged numerous meaningful connections with like-minded individuals and our most valuable asset lies in our dedicated employees who consider this company their home. Moving forward, we will strive even harder to generate new achievements and showcase an innovative approach.
