SR215G About us

We've been a professional speaker manufacturer over 20 years.
We are TOP 10 Multimedia Speaker Manufacturer in China!
We have our own factory for module making, with independent development capabilities, the speaker panels are mostly made by our PRIVATE MOLDS.
Our brand SAMESAY is a famous brand in China, also we provide OEM/ODM service.
We have professional AI AUTO-MACHINES for assembly.
Our boss Wilson Chan was an electronic engineer, from the material select to quality control, the work was undertaken by a More Professional Team.
